Dear Rampello Parents & Families,

August 2, 2022

It is the start of a new year, and there is so much excitement in the air! In about a week, we will welcome back all our Pirates for the 2022-23 school year. I am certain that there are great things in store for our students.

I am proud to share that we are back to an “A” school grade from the Department of Education for the 2021-22 school year. This was an amazing accomplishment that took dedication and persistence to overcome the challenges we faced. Our students, staff, and families demonstrated the “Pirate Way,” and it was truly an amazing year of achievement for all.

Whether you are returning for another great year or new to Rampello K-8, I want you to know that our vision is to create life-long learners who will be the leaders of tomorrow. Our staff is committed to providing all our students a safe harbor that encourages personal growth through academic excellence, individual determination, and service to others. We take this commitment seriously and strive to provide the best educational experience for each student daily.

Our theme for the year is “On the Hunt for Success.” We believe that every child deserves a top-level experience in school. Our team commits to doing whatever it takes to help our students reach their potential so that every student gets to know what it feels like to be successful.

We are looking forward to seeing you at our Meet the Teacher event on August 9th from 3:00-5:00pm. The first day of school is August 10th, and learning starts at 8:00am. Please check out all our “Welcome Back” documents on our website, including the homeroom teacher finder, uniform information, arrival & dismissal procedures, and more. It is going to be an amazing school year!

Sincerely,

Justin Youmans
Principal
