H. B. PLANT HIGH SCHOOL

Strength Through Unity

A SPECIAL MESSAGE FROM THE PRINCIPAL

Welcome to the 2022-2023 school year! As the new principal of Plant High School, let me be the first to share with you how excited we are to begin a new year full of rigorous instruction to engage our students. Your student(s) are in excellent hands, and we are fortunate to have such a strong, dedicated community of faculty, students, and parents at Plant High School.

I am also excited to share that we have new administrative staff members for the 2022-2023 school year. Joining TEAM Plant this year is Charles (Phil) Morris, newly appointed APC, and Evanitta Omensetter, newly appointed APA. Both administrators have several years of experience and come to us from other schools within our district.

Included in this newsletter is a great deal of important information. Thus, I ask that you take your time and read it in its entirety. The policies and procedures will undoubtedly affect you and your student. Emergency cards will go home by the second day of school. **IT IS CRITICAL THAT THESE CARDS ARE CORRECTED AND RETURNED. WE CANNOT SIGN A STUDENT OUT OF SCHOOL WITHOUT A SIGNED EMERGENCY CARD LISTING VALID EMERGENCY INFORMATION.** This emphasis placed on accurate emergency information is a measure to protect both students and parents.

The Plant High School Student Handbook is available on our website [Plant High / Homepage \(hillsboroughschools.org\)](https://www.hillsboroughschools.org/PlantHigh/Homepage). Included in the handbook is information concerning every facet of Plant High School life - from academics and athletics to extra-curricular, honor, and service club activities. Every parent and student should become familiar with the handbook. The Student Code of Conduct is on the District website [Student Code of Conduct / Overview \(hillsboroughschools.org\)](https://www.hillsboroughschools.org/StudentCodeofConduct/Overview).

I sincerely encourage all incoming freshmen, new students, and their parents to attend the **Freshman/New Student Orientation** on August 8, 2022, at 5:00 in the Plant gymnasium. At the end of the meeting, students will report to Homeroom to pick up the most recent copy of their schedule and will then have an opportunity to walk through that schedule, at their convenience, until 7:30.

Returning Student Open House will simultaneously start at 5:00. Returning students should report to Homeroom first to receive the most recent copy of their schedule and then walk that schedule at their convenience. We encourage returning students to be out of the building by 6:30 so the halls are less crowded when freshmen and new students begin walking their schedules.

Please be reminded that the first day of school is Wednesday, August 10th. School begins every day at 8:25 am. Dismissal on Tuesdays through Fridays is at 3:25. Mondays are an early release day with dismissal at 2:25.

The Plant faculty and I are looking forward to seeing your student on August 10, 2022, at 8:25 A.M. **Please have them report to their HOMEROOM first on August 10.**

Sincerely,

Kimi Hellenberg, Principal

CLASS SCHEDULE

[2022-23 UNOFFICIAL SCHEDULES](#)

Unofficial copies of student schedules were mailed the last week of July. **Important information regarding options for any necessary schedule error correction accompanied the schedule. Please read it carefully.**

We are continuing to balance classes to achieve lowest numbers in each classroom, therefore schedules are not final until class balancing is complete. You will receive a new copy of your schedule at Open House on August 8th and again in homeroom on the first day of school. You may see changes to your schedule that you did not request due to our continued class size balancing efforts. The schedule change error request link (organized by counselor, based on your last name) is the **ONLY** method we are using to handle schedule error corrections. **Please do not send emails or phone calls to make corrections, they are not able to be viewed due to time constraints.** The following schedule change **ERRORS** are the only requests we can accommodate: Complete the counselor link located below if you see an **error** in your schedule. Class choices available at [Curriculum Guide \(weebly.com\)](#).

SCHEDULE GUIDANCE:

- Advanced Honors is only available in English 1 & 2. The course code for Advanced honors will end in a 07
- Students may see a “NC STUDY HALL” in a period within their schedule; these are placeholders for a dual enrollment course. If you are **NOT** taking a dual enrollment course, and “NC STUDY HALL” is on your schedule, you need to fill out the schedule error correction link and select a PHS on campus elective. Fall dual enrollment paperwork was due May 20, 2022.
- Students may see “CREDIT RECOVERY” in a period within their schedule; these are EdGenuity computer-based course recovery classes. The teacher of the course will have a list of courses each student will be retaking.
- A “RESEARCH” is a study period that is reserved for students taking 3 or more AP courses. Students receive elective credit for this class.
- Students may see 1-2 “COOP DIV ED-OJT” periods; This is the OJT Program and requires a current job (earning a W-2). Direct questions to OJT teacher.

Closed Classes: ~ if you have an error as outlined below and need to make an alternate course selection, you will need to review this list and not pick a course from this list as they are at capacity

2D Studio Art- all levels	AP Psychology
3D Studio Art	AVID 2
AP Art History	OJT (Coop Div- On the Job Training)
AP Biology	Psych 1
AP Chemistry	Research
AP Computer Science- A & Principles	Spanish 1
AP Human Geography	

Acceptable reasons to request a schedule change:

- If you have already taken the listed course and passed it.
- If you are a senior and you need this course to meet graduation requirements.
- The course is the wrong level (NOTE: core course recommendations come directly from previous core teacher, if you do not have the recommendation for the course, your change will not be made)
- If you are missing a class period (there should be 8 periods, including lunch) or if you have 2 classes in the same period.
- If you are taking a course through HVS/FLVS or HCC Dual Enrollment and it is listed as a normal "classroom-based course" (must be registered for the course on FLVS and/or Dual Enrollment & have “non-traditional schedule agreement” on file in guidance by 4/29/2022)
- If academic adjustment is necessary based on 2021-22 second semester performance

Please note we are **ONLY** using the electronic form link to review schedule errors.

GOLD AND BLACK CARD INCENTIVE PROGRAM

Traditionally, students have been able to earn Gold and Black Cards through GPA requirements and exceptional attendance records. Moving forward, grade incentive programs will be decided upon by individual teachers. Individual teachers will be given the opportunity to create incentive programs and policies pertaining to grade enhancement opportunities for their students and courses. The ability to earn rewards such as special luncheons, ice cream socials, and preferred parking will remain the same but will only be earned through GPA requirements and not tied to a student's attendance record. We look forward to the increased flexibility and opportunity that this adjustment will create!

LOOK for it!

On the first/second day of school, your child will receive several forms some of which will need to be completed and returned to school.

PLEASE collect all forms from your child, complete them and RETURN them with your student the next day to the school.

Student should return them to their Homeroom teacher or the Student Affairs Office.

Emergency Card

REQUIRED from every student.

- The emergency card has been pre-printed for your convenience.
- ***The PARENT or court-appointed GUARDIAN must complete updates/corrections to the emergency card.*** PLEASE, ONE parent/guardian must SIGN and DATE the card.
- PLEASE REVIEW EACH LINE OF INFORMATION for accuracy and complete any blank boxes especially, e-mail and medical information. Please correct any inaccurate data on the card. If it does not apply to your student, please put "n/a" (not applicable) in the box.
- RESIDENCE ADDRESS: *If the student resides at an address different from the one listed, the parent/guardian MUST COMPLETE a "Change of Address" form with Parent/Guardian Signature and provide copies of 1) your current TECO or City of Tampa water bill AND 2) your LEASE or Current Tax Bill as PROOF of ownership. Pick up and submit Change of Address forms in the Student Affairs office. **The official record WILL NOT update by changing the address on the emergency card.***

Other forms to look for may include:

Student Likeness Release Form, Student Health Clinic Form, Student Code of Conduct, Bus Transportation, and others.

STUDENT AFFAIRS OFFICE (SAO)

Parents/Guardians, your assistance and cooperation are needed in reporting your child's absence. For your child to be "excused," you will be required to call or visit the school the day your child is absent. We provide teachers with same day feedback on student absences. This allows us to keep track on a daily basis and attempt to notify you if any problems arise.

ATTENDANCE POLICY BRIEF

The educational program offered by this District is predicated upon the presence of the student and requires continuity of instruction and classroom participation. Attendance shall be required of all students enrolled in the schools during the days and hours that the school is in session. School attendance shall be the responsibility of parents/legal guardians and students. Absences shall be reported to the school attendance office by the parent/legal guardian on the day the absence occurred.

HCPS Full text: [Policy Manual - Hillsborough County Public Schools \(hillsboroughschools.org\)](http://hillsboroughschools.org) Section 5200

TO REPORT A WHOLE DAY ABSENCE

A parent must explain the reason by telephone preferably on the day the absence occurs but ***WITHIN NO MORE THAN 3 BUSINESS DAYS AFTER THE ABSENCE***. You may access ***the 24-hours COMPUTER automated attendance line by calling 813-272-3033; push 1 and you will be forwarded to the attendance line voicemail.***

NOTE: Absences cannot be cleared, as is sometimes requested, at the end of a marking period. The absence is submitted to the Florida Board of Education. Absences must be excused as they occur.

Parents of **truant** students will be required to meet with the Assistant Principal for Student Affairs following truancy. The school will make an effort to contact the parent whenever a student's absence has not been explained.

EXCUSED ABSENCES

The HCPS Board considers the following factors to be reasonable excuses for time missed at school:

- Personal illness of the student. A student who has demonstrated a pattern of absences due to illness may be required to present medical verification to the principal.
- Court appearance of the student.
- Medical appointment of the student. A note from a health care provider may be required.
- An approved school activity.
- Emergencies that are acceptable to the principal.
- Other absences as approved by the principal. A written request from the parent/legal guardian is submitted to the principal at least three days prior to the date of absence. The parent will be notified of the decision.
- Attendance at a center under Children and Families Services supervision.
- Accident resulting in injury to the student.
- Significant community events with prior permission of the principal. When more than one school is involved, the Regional Superintendent will determine the status of the absence.
- Observance of an established religious holiday.
- Death of a close relative. For purposes of this policy, close relatives shall be defined as the father, mother, brother, sister, husband, wife, son, daughter (or in-law), stepfather, stepmother, stepbrother, stepsister, half-sister, half-brother, stepchild, uncle, aunt, niece, nephew, grandparents, grandchild, or members of his/her own household.

MAKE-UP WORK

- **If the absences are excused**, all educational requirements for the course shall be met before a passing grade and/or credit is assigned. A student whose absence has been excused shall be permitted to make up the work missed provided that the student makes arrangements with teachers within three days of the student's return to school. It is the student's responsibility to make these arrangements. Students shall submit make up work within the deadlines set by the teachers. Students on school business shall be counted present and required to make up work missed.
- A student suspended out-of-school shall receive a grade of “zero” for tests and/or graded work missed.
- **Unexcused absence make-up work is at the discretion of the classroom teacher.**
- A student receiving EPIC may make up work providing all days assigned are attended.

SCHOOL BUSINESS

Students on school business shall be counted present and required to make up work missed.

Examples of school business are:

- Participation in a regularly scheduled, school-sponsored athletic event.
- A school office summons.
- Other approved activities, such as Student Council, National Honor Society, PTSA, pep rallies, class meetings, club meetings, field trip, senior graduation activities, or an event that is designated by the Principal and approved by the Regional Superintendent.
- An academic activity directly related to the instructional outcomes of one or more courses.

STUDENT ABSENCE NOTIFICATION

- Hillsborough County Public Schools will call the home when your child is marked absent at the time official (1st period) attendance is taken.
- A student who is absent from class but who is not listed on the absentee bulletin (possible skipping) shall be reported by the teacher to the appropriate Assistant Principal's Office.
- A student who is absent six (6) or more days in a nine-week grading period may be required to present medical evidence or have the parent visit the school to verify absences.
- When a student accumulates ten (10) absences from the designated attendance period during a nine-week grading period, a parental notice is available from the automated attendance accounting system. Upon receipt of this notification, the appropriate school personnel shall attempt to contact the parent or guardian by telephone.

ATTENDANCE REQUIREMENTS FOR MINORS TO MAINTAIN THEIR DRIVING PRIVILEGE

STATE LAW REQUIRES that students, 14 to 18 years of age, who have not earned a high school diploma, who have 15 unexcused absences in any period of 90 calendar days, be ineligible for driving privileges. School districts are required by this legislation to report to the State of Florida Department of Highway Safety and Motor Vehicles (DHSMV), the names of any students who have accumulated 15 unexcused absences in any period of 90 calendar days. The student who is reported will be informed by the DHSMV that his/her name has been received and he/she may lose the privilege to drive. Should a student be contacted by DHSMV with information, he/she may initiate a request for a hardship waiver or a request for reinstatement of driving privilege through the Student Affairs Office. Effective January 5, 1999, students who accumulate 15 unexcused absences in any period of 90 calendar days will be reported by the school to the DHSMV. Please follow the attendance procedure that has been established in order that students not be reported unexcused when they should be excused.

TARDINESS

A student is tardy when the student arrives after the beginning of the school day or when the student is not in the assigned seat or station when the tardy bell rings in any class period. A tardy student who arrives to class after one-half of the class period is over shall be counted as absent.

UNEXCUSED TARDINESS

1. An unexcused tardy exists when a student is not in his or her assigned seat or station when the tardy bell begins to ring.
2. Tardiness is cumulative for each 9-weeks grading period and across class periods.
3. A student should make every effort to be in class on time; however, any student failing to make an effort to attend class will be considered tardy and subject to disciplinary action.
4. Excessive unexcused tardiness shall be considered willful disobedience and the student will be subject to disciplinary action including suspension. The Assistant Principal will notify the student's parents for violations greater than a warning.

“SIGN-IN” – ARRIVING TO SCHOOL AFTER THE START OF SCHOOL

A parent/guardian should call at **272-3033 ext. 230 or 231** to speak to a SAO secretary or leave a message on automated ext. 400 (push 1 on the auto attendant) prior to the student arriving to school or within ONE day of the tardy. **Any student reporting late to school at any time must report to the Student Affairs Office before going to class.** The Student Affairs Office will verify all sign-ins to parent contact list. **Students are allowed to sign in late a maximum of five (5) times (either by parent call-in or parent walk-in) for each 9-weeks period. Any additional sign-ins will be considered unexcused unless the student presents a doctor's note.**

“SIGN-OUT” - LEAVING SCHOOL BEFORE DISMISSAL TIME

A parent/legal guardian must call the Student Affairs Office **272-3033 (push 4) ext. 230 or 231** to speak to a secretary. *Effort should be made to have departure time coincide with the end of a class period to avoid disruption of class time with phone calls to the classroom.* Any student who must leave the school grounds during the school day **must have clearance from the Student Affairs Office and must report to the Student Affairs Office to receive a sign-out pass prior to leaving.** **Parental contact must be made for all sign-outs.** Any student leaving school after having arrived on campus, including pre-school hours, without signing out will be subject to disciplinary action which may include suspension; the absence will be considered unexcused. A current emergency card must be on file before a student will be permitted to sign out. ***THERE WILL BE NO SIGN OUTS WITHIN 30 MINUTES OF DISMISSAL.*** Signing out more than five (5) times in a 9-weeks period will require a doctor's note to be considered excused.

TELEPHONE CALLS AND/OR LUNCH TO STUDENTS

In an effort to keep class time productive and students' concentration uninterrupted, parents are asked to make clear with their student any alternate plan regarding transportation, medical appointments, etc. Only in cases of emergency will such messages be considered for delivery and only in cases of emergency will students be called out of class. The Student Affairs Office reserves the right to make such a decision and act accordingly.

We do not allow lunch drop-offs in the office or anywhere on campus. Students should come to school with lunch or get lunch from the cafeteria. An emergency lunch can be obtained should a student require one. Payment for the lunch can be made the following day. Plant High is a closed campus; **students are not allowed to sign-out or leave campus for lunch.**

HALL LOCKER RENTAL

Rental of a locker is optional and will occur via MyPaymentsPlus.com (MPP) beginning on August 8, 2022, at 5:00PM. You will need to determine the area you would prefer your locker assignment by the room near which lockers exist. Use your Open House schedule walk as an opportunity to determine the best location to serve you each day. Please follow directions in MPP. Don't have an MPP account? Go to: www.hillsboroughschools.org/domain/4910 for directions.

BULLYING

The School Board is committed to providing an educational setting that is safe, secure, and free from bullying and harassment for all students and employees.

Plant High School has a great student body that exhibits respect daily. Many of our students participate in Unity Day, a program that assist students in handling peer pressure situations and occurs quarterly. Students also have the opportunity to participate in activities sponsored by Stand Up, Plant's Bullying Prevention Program. Bullying and/or harassment of any student or school employee is PROHIBITED during any educational and/or school sponsored program. This includes all activities at any HCPS institution, school bus and/or using data or computer software that is accessed through a HCPS computer. Community members are strongly encouraged to report any incident of bullying or harassment in writing to the Plant Administration.

HCPS Policy: <https://web.hillsboroughschools.org/policymanual/detail/521>

SOME ADVICE ABOUT SCHOOL CLOTHES SHOPPING

Most shopping for school clothes occurs before our orientation program. We urge you to use good judgment while clothes shopping, with an eye to the safety of your student. Also, be aware that the total-school air conditioning, with the "central control" for individual rooms is not always set ideally and can prevent comfort when attire is too scanty or brief (for example, sleeveless attire for girls). Many girls choose to bring a lightweight sweater/jacket to wrap around their shoulders or place on their lap. ***SHIRTS THAT EXPOSE THE MIDRIFF ARE NOT ALLOWED.*** Proper t-shirts should be worn, and with no sexual innuendo and or puns. Such innuendo has no place at school. Again, your cooperation is appreciated.

DRESS CODE

- Shoes shall be worn. Skate tennis shoes and bedroom slippers are unacceptable and not allowed.
- Clothing that exposes the entire shoulder, tube tops, spaghetti straps, or similar type of clothing may only be worn with a blouse or shirt. Clothing exposing the torso or the midriff, either front, back, or sides shall not be worn. Underwear shall not be visible. Boys' shirts shall have sleeves.
- Clothing shall not expose the mid-chest area. Clothing not properly fastened or with tears that are indecent shall not be worn.
- Clothing traditionally designed as undergarments or sleepwear shall not be worn as outer garments.
- All pants and shorts shall be secured at the waist. Underwear shall not be visible. Mini-skirts, mini-dresses, and short shorts shall not be permitted. Hemlines shall be no shorter than fingertip length.
- Hair shall be clean and neatly groomed. Head coverings shall not be worn in the building unless required for religious observance or health-related reasons.
- Garments and/or jewelry that display or suggest sexual, vulgar, drug, gang, weapons, or alcohol-related wording or graphics, or that provoke or may tend to provoke violence or disruption in the school, shall not be worn. Wallet chains shall not be worn.

Any student in violation of this policy will receive a consequence and be provided a change of clothes. If a student commits multiple infractions, he/she will be subject to disciplinary action.

STUDENT ARRIVAL and DEPARTURE

Students being dropped off or picked up are to **ONLY** be dropped off or picked up on Himes Ave in front of the school. Parents should not enter campus from any access point to drop off or pick up a student. **ALL** student drivers are to enter/exit through the Dale Mabry Hwy. gate (West side) **ONLY**. **NO** arrival or departure access is available on the East or North side of the school. The Sterling Gate (intersection of San Miguel St. and Sterling Ave.) will strictly be for bus and pedestrian access. See MAP on next page for visual representation.

Be aware of the following:

- MANY students WALK to school. **FOR THE SAFETY OF OUR STUDENTS, please use EXTRA CAUTION when driving on and around the PHS campus!**
- Do NOT speed.
- Unlike Middle and Elementary schools, several hundred of our students drive to school which increases traffic entering and exiting the campus. Only entrance for student drivers is the Dale Mabry gate as the student parking is located at that gate.
- Arriving before 8:15 A.M. and departing after 3:40 P.M. (2:40 P.M. on Mondays) are optimal to steer clear of high traffic times.
- Please do not enter the media center faculty parking area to drop off or pick up your child.
- Please be respectful of our neighbors... don't block driveways or traffic lanes.
- No entry or exit is allowed on the South side (Palmira St. at Sterling Ave.) of the school. This gate is kept locked at all times.

Dale Mabry Hwy. Gate (West side, rear of school)

- The Dale Mabry gate is locked each morning at 8:45 A.M. No entry/exit occurs during school day.
- A traffic light is present at this intersection.
- Southbound traffic on S. Dale Mabry Hwy. **CANNOT** turn left into PHS campus (Dale Mabry gate) during the hour prior to school opening, 7:30 – 8:30 A.M.
- In the morning, entry via this gate may only be obtained when Northbound on S. Dale Mabry Hwy (right turn) **OR** crossing Eastbound at the light on W. San Carlos Street (at Steak 'n Shake).
- Gate re-opens at 3:20 P.M.
- Exit via this gate allows for left (Southbound Dale Mabry), right (Northbound Dale Mabry) turns and straight (Westbound San Carlos).

“Sterling Gate” at San Miguel St. and Sterling Ave. (North side, adjacent to the water tower)

- The Sterling gate will strictly be used for school buses only.

Himes Ave (East side, front of the school)

- Parents dropping off students may **not** enter the Faculty parking lots located on the southeast and northeast corners of the school buildings. Students are to be dropped curbside on S. Himes Avenue.
- Students arriving/departing on the northbound lane of Himes Avenue should use the crosswalk in front of the school to cross the street.
- PHS student drivers may **NOT** use the gate at Himes Avenue or Sterling Ave during the arrival and departure times. There is **NO** access to the student parking lot via those gates at those times.

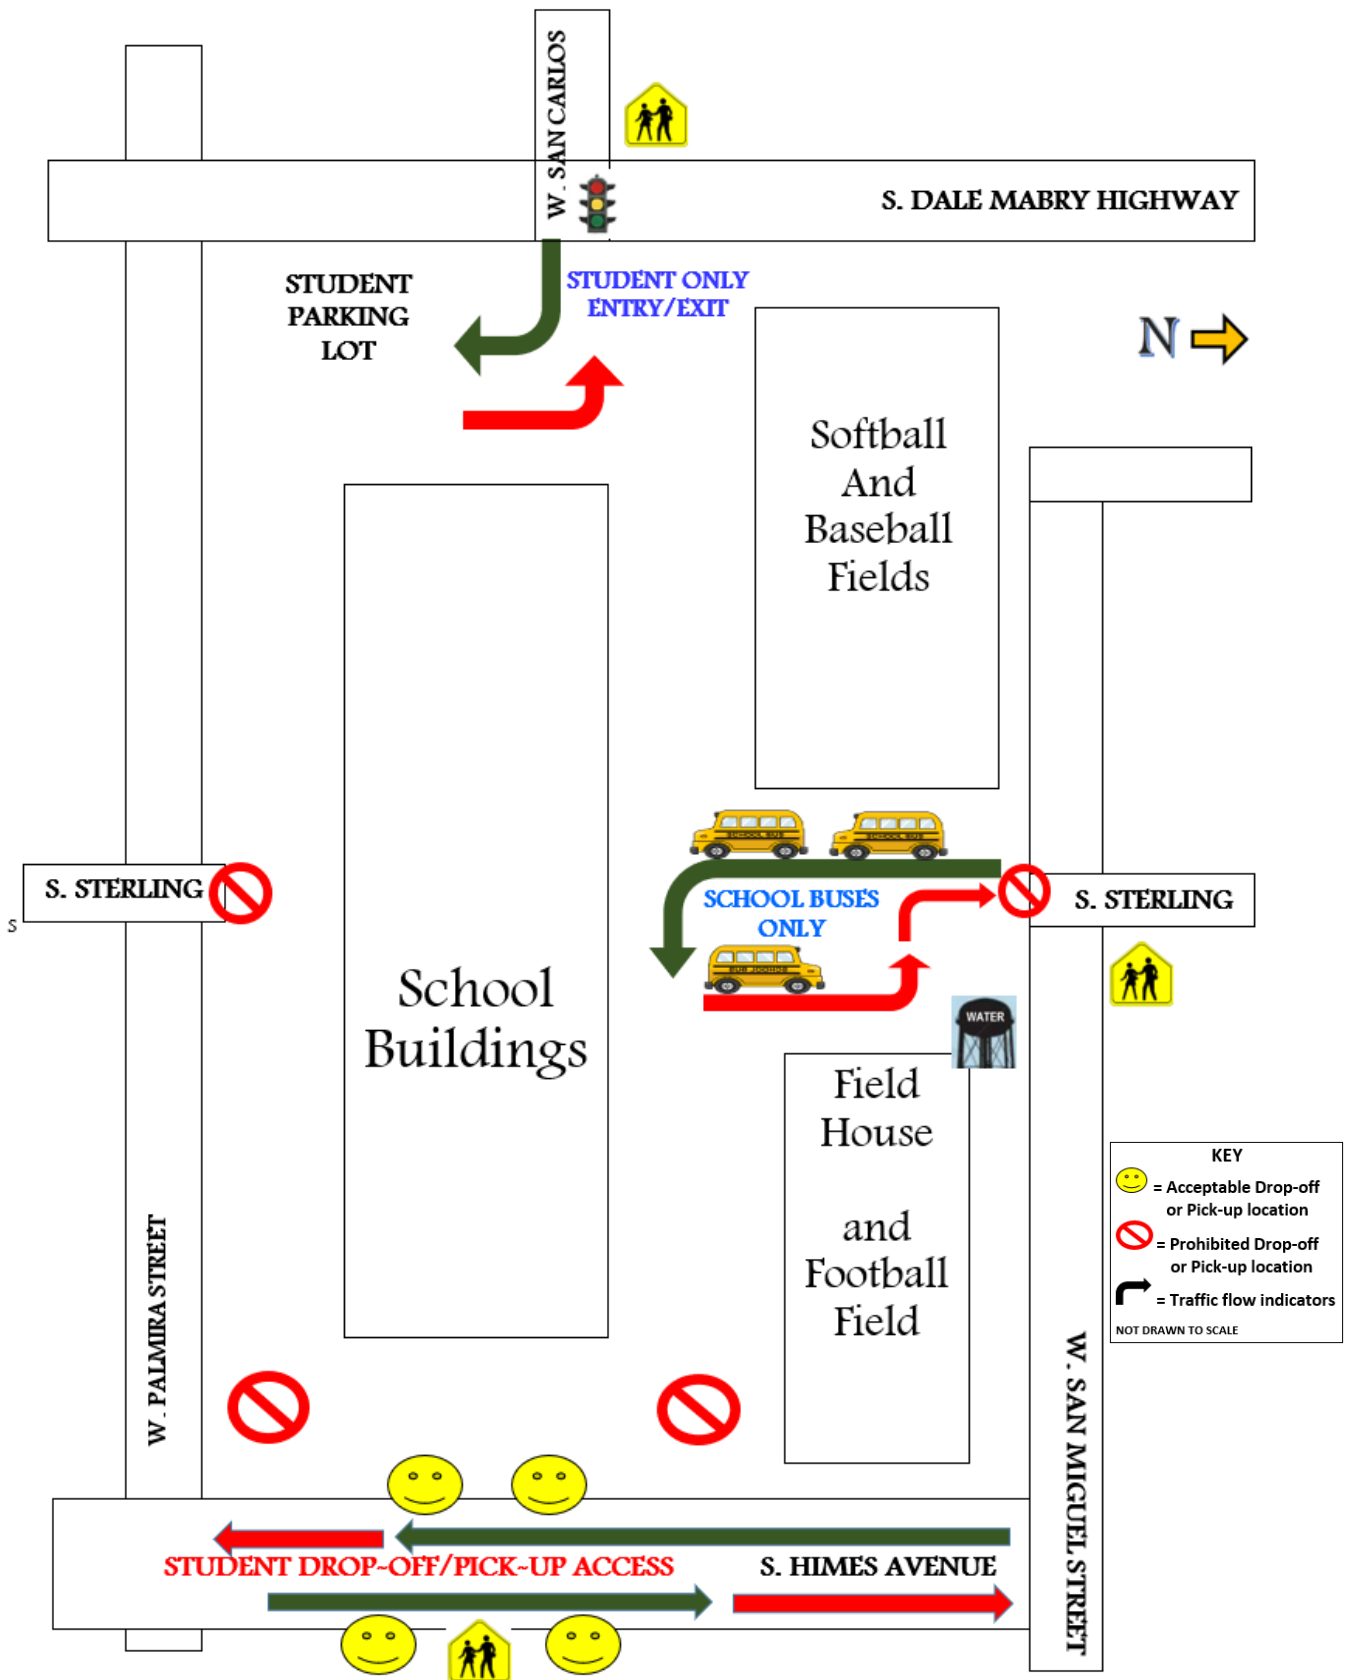

Thank you for your cooperation.

See MAP on next page for visual representation.

SECURITY FENCING

Once classes begin, we lock all gates for the duration of the school day. For the safety of our students, we ask that you please present identification when requesting access at the **ONE** access point by the Main Office (North side of building 8). Students who drive and are late to school may gain access to the parking lot with a valid PHS parking pass and through the Himes Avenue gate only.

STUDENT PARKING

Sale of parking permits will occur via MyPaymentPlus.com (MPP) and begin a week before the start of school. Sales will be to SENIORS ONLY prior to the start of school. **If you do not have a parking permit, then you may not park on campus.** Please follow directions in MPP. Don't have an MPP account? Go to: www.hillsboroughschools.org/domain/4910 for directions.

Parking applications are available to **SENIORS** and some **JUNIORS ONLY** at an annual cost of \$20. **Seniors** will be given priority before any remaining tags are sold to Juniors. **Students with a debt to the school are not eligible.**

Junior eligibility:

- Based on 4th quarter grades earned 2021-22 sophomore year at PHS, and
- Student earned all A's (Principal's Honor Roll) **OR** more A's than B's (High Honor Roll) of the 5-7 classes taken daily, and
- Student earned zero C's, D's or F's.

Due to limited parking, SOPHOMORES and FRESHMEN are **not** allowed to park on campus. Any student choosing to park without a proper authorization is subject to disciplinary action. Parking hangtag should be used **ONLY** by the student to whom it was issued and in the **ONE** car for which it was issued. Misuse of a parking hangtag will cause student(s) to lose their parking privilege and be subject to other disciplinary action.

Please be reminded that off campus parking carries a risk of protest from residents as well as a security issue. Students should use caution when parking off campus. City of Tampa parking fines can exceed \$30. Here is a list of common illegal parking seen in the area. Please avoid them.

- | | |
|--|---|
| (1) Parked in a no parking zone | (6) Parked over 12" from curb |
| (2) Parked less than 10' from driveway | (7) Parked facing traffic |
| (3) Parked less than 15' from a fire hydrant | (8) Parked across from driveway (if road is less than 25' wide) |
| (4) Parked less than 30' from a stop sign | |

GYMNASIUM INSIDE ADVERTISING OPTION OFFERED

The offer of inside-gymnasium advertising is being made, again this school year. Previous monies raised were used for: gym floor cover, athletic locker room facility, folding team chairs, and roster name plates. Money generated funds items deemed vital to athletic programs. Our digital scorers' table is equipped with a 58" high resolution display. Create an awesome commercial-style advertisements for 15 or 30 seconds or we can display your company logo. New 30 second ads are available for \$500 and renew in subsequent years for \$300. The logo will be displayed at all sporting events and other community/school functions, which take place in the gymnasium. Interested parties should contact Coach Carrie Mahon at carrie.mahon@hcps.net.

PHYSICAL EDUCATION

The PE department will be selling PE uniforms the first week of school during PE classes. PE uniforms are required for any physical education class. The cost of the uniform is \$18.00 per set or \$9.00 per shirt or shorts. The check should be made out to PHS Athletic Foundation. Contact Carrie Mahon with questions at carrie.mahon@hcps.net.

PREPARING COLLEGE APPLICATIONS

There will be a deadline for requesting transcripts and recommendations for college applications. For any transcripts or recommendations that need to be sent out PRIOR to winter break, students must request these documents on Naviance Student by December 1, 2022. Any document requests after this deadline will be fulfilled when school resumes in January. Please take this into consideration when preparing college applications.

PLANT RECEIVES TERRIFIC ACHIEVEMENTS

This year, Plant High School is rated as a Top 100 High School from The Washington Post. Additionally, Plant continues to set the standard in FSA/EOC reading, writing and math scores in the Hillsborough County School District. Our 2022 senior class received approximately \$22 million in scholarship money. 96% of the senior class is attending a higher education institution this upcoming year. Multiple PHS teams won numerous athletic and academic team awards. All the credit goes to the hard work completed by our faculty and students and the support given by the community. Our goal is to continue to improve all students' academic and athletic achievements.

When? Monday, August 8, 2022, from 9:00 am-5:00 pm

Where? PHS Auditorium 9:00am for Check-In.

What? Our day together will include vocal workouts, ensemble rehearsals for our PHS Alma Mater, Fight Song and National Anthem, choreography workshop, uniform fitting and assignment, fun team building activities, and our first official performance of the year at the Freshman Orientation (5:00pm@PHSGym).

FAQ's:

Do I need to be there? Yes! Mandatory for all chorus students: new and returning, male and female, auditioned and non-audition. If you are enrolled in a chorus at Plant, we will see you on Monday, August 8.

Dear Parents and Guardians of Students; Faculty and Staff:

The Florida Department of Environmental Protection (FDEP) is a state agency that oversees the cleanup of sites throughout Florida. The FDEP is responsible for notifying School Boards throughout the state when any contamination is discovered at school property. School Boards which receive such notice are further required to notify all Faculty, staff, parents, and guardians of students attending the school.

In 2009/2010 school year, the FDEP notified the Hillsborough County School Board regarding the identification of soil and/or groundwater contamination at several school locations. This letter is to fill the annual requirement of notification for the identified locations. In addition, the School Board also decided to voluntarily expand their notification process beyond FDEP requirements to include other school locations based upon a review of available information regarding historical as well as more recent soil and groundwater testing results.

DUE TO THE LOW POTENTIAL FOR EXPOSURE, THE SOIL AND/OR GROUNDWATER CONSTITUENT CONCENTRATIONS IDENTIFIED AT THESE LOCATIONS DO NOT POSE A SIGNIFICANT HEALTH RISK. THE SCHOOLS ARE SAFE FOR STUDENTS, PARENTS, STAFF AND VISITORS.

A listing of the schools identified for which the School Board has/is providing notification at this time is as follows.

Brandon High School	Buchanan Middle School	Just Elementary School
Kenly Elementary School	Leto High School	Lockhart Elementary School
Mann Middle School	Marshall Middle School	MacFarlane Park Magnet
McLane Middle School	Mendenhall Elementary	Morgan Woods Elementary
Oak Park Elementary School	Pinecrest Elementary School	Pizzo K-8 School
Plant City High School	Plant High School	Robinson Elementary School
Town & Country Elementary	Wilson Middle School	Young Middle Magnet

Additional relevant information for each school is available in the Principal's office. You are invited to review this information at your convenience. Additionally, to assist you in understanding this information and to answer questions, the FDEP and the Florida Department of Health (DOH) have established two toll free information lines. DOH number 1-877-798-2772 and FDEP number 1-866-282-0787.

Estimados Padres y Tutores de Estudiantes; Profesores y Empleados:

El Departamento de Protección Ambiental de la Florida (FDEP) es una agencia estatal que supervisa todas las operaciones de limpieza de todos los sitios/lugares a través de todo el estado de la Florida. El Departamento de (FDEP) es responsable de notificar a todas las Juntas Escolares del estado de la Florida cuando una contaminación es descubierta en la propiedad de una escuela. Las Juntas Escolares son las que reciben dicha notificación y además deberá de notificar a los profesores, personal, Padres de familia y Tutores de los estudiantes que asisten a la escuela.

En el año escolar 2009/2010, el Departamento FDEP notificó a la Junta Escolar del condado de Hillsborough información respecto a la identificación de suelo y la contaminación de las aguas subterráneas en varias ubicaciones de las escuelas. La carta es para llenar el requisito de notificación para las localidades. Además, Las Juntas Escolares también decidieron voluntariamente ampliar su proceso de notificación más allá de los requisitos de el FDEP e incluir a otras ubicaciones de las escuelas basadas en análisis históricos haci como la información mas reciente recibida de los resultados de las pruebas realizadas de el suelo y las aguas subterráneas.

DEBIDO A LA BAJA POSIBILIDAD DE ESPOCISI6N EN EL SUELO Y LAS AGUAS SUBTERRÁNEAS O LAS CONCENTRACIONES DE COMPONENTES IDENTIFICADOS EN ESTOS LUGARES NO DEMUESTRAN UN GRAN RIESGO PARA LA SALUD. LAS ESCUELAS SON SEGURAS PARA LOS ESTUDIANTES, PADRES DE FAMILIA, PERSONAL, Y LOS VISITANTES.

Una lista de las escuelas identificadas y a las cuales la Junta Escolar les ha enviado notificación hasta el momento son las siguientes:

Brandon High School	Buchanan Middle School	Just Elementary School
