Want to VOLUNTEER for Plant High?

Thank you for your interest in volunteering! Volunteers are instrumental in maintaining our pursuit of excellence at Plant High. We are thankful to the many volunteers and community partners that say Y.E.S. (You Empower Students) every day. By law, Hillsborough County Public Schools (HCPS) requires **all** volunteers and community partners to complete the HCPS Volunteer Application **or** have a current active application on file **prior** to any volunteer engagement. Be ready when you are needed! ENROLL/RENEW today at: <https://www.hillsboroughschools.org/volunteer>

Research shows students involved in extracurricular activities and sports are well-adjusted, earn better grades, tend to avoid drugs and alcohol, and are generally happier and more successful teenagers.

We produce this brochure to assist parents in helping their child find his/her special place at Plant High School. We also encourage parents to get and stay involved and informed. Please attend meetings, school functions, and support our athletic teams. Together we find "Strength Through Unity".
