Option 1 - I will attend a design session to create my ad

The Panther yearbook staff will be holding appointment-only design sessions on Zoom where you will be able to work with one of our staff-ers to create your senior's ad. These sessions will be held starting in September. More information will be sent to those who select this option.

Option 2 - I will submit my materials and allow the yearbook staff to create the ad

If you would like for the yearbook staff to make your ad, but you don't have time to come to one of the design sessions, you can submit your materials to the yearbook staff to complete. A Dropbox link will be sent to you at the start of September for you to upload the files (files must be uploaded no later than November 30).

Option 3 - I will submit a finished ad

If you would like to submit a completed ad for inclusion in the yearbook, it needs to follow the dimensions listed above. All work must be submitted in PDF format. A Dropbox link will be sent to you at the start of September for you to upload the files (files must be uploaded no later than November 30). ADS SUBMITTED BY PARENTS WILL RUN AS IS
