DELIVERIES OF SCHOOL PURCHASES

No student may order any merchandise for a school organization to be delivered to his or her home. All purchases of any nature that are related to Plant High School must be delivered to the school (except when the goods need to be delivered to the site of a school function).

EMERGENCY PROCEDURES

The school and district provide plans for emergency actions. When such conditions exist, we require cooperation of both students and parents. We request not to use cell phones and/or to enter or leave campus. We ask for strict observance of all precautions. These precautions are for the safety of YOUR child.

FIRE AND TORNADO DRILL INSTRUCTIONS

1. The alarm signal is a series of rings on the bell, or an announcement via intercom.
2. Specific instructions will be given by the instructor to each class.
3. Directions will be posted prominently in each room.

ELEVATOR ACCESS

Student elevator use is restricted to those students/staff with a physical need including those using a wheelchair/crutches or a restrictive leg injury, etc. Elevators are located across the hall from rooms 124/225 in the main building and rooms 604/704 in the West Wing.

HALLWAYS

Students are to move from class to class in an orderly and quiet manner. To eliminate congestion in the halls, students are asked to move to their next class as quickly as possible. Avoid lingering at the doorways or stopping in the middle of the hallways. Before school students may eat breakfast in the cafeteria and during the lunch periods students may gather on the gym picnic tables, the main patio, or in the cafeteria. Students are not to sit in the halls during this time, as it adds to hall congestion. **With new COVID protocol, we will be adhering to CDC guidelines of one way hallways.**

LOCKERS

Lockers will not be issued at this time. In an effort to aid social distancing in the hallways and to minimize contact with common surfaces, lockers will not be rented this year.

LOST AND FOUND

All articles found in the school area are to be turned in to the Student Affairs Office. Lost articles should be claimed immediately. Books left in unauthorized places such as halls, on top of lockers, restrooms, cafeteria, etc., will be returned to the appropriate teacher or department head.

LUNCH PROGRAM

In order to offer a relaxed atmosphere for our students during lunch, sandwiches and other finger foods may be taken to the gym picnic tables or the main patio. Students are to remove their own trays from tables in the cafeteria and place their garbage in a proper trash can. Student and teacher lunch times will be one of three periods, 4th, 5th OR 6th. Lunch is the duration of the assigned class period.

PHS observes a *closed-campus* for lunch, which means students are to remain *on campus*. We do not allow lunch drop-offs in the office or anywhere on campus. **Students should come to school with lunch or get lunch from the cafeteria. Students are also not allowed to sign-out or leave campus for lunch.** Students without a lunch may obtain a lunch on credit and pay for it the next day.

The lunchroom is run on a cash basis. Students who qualify for the Free/Reduced Lunch Program may apply online at the school district's website at <http://www.sdhc.k12.fl.us/> and type "Go SNS" in the search bar OR pick up an application in the Student Affairs Office.

MEDIA CENTER

- The Media Center is open daily from 8:00 A.M. until 3:25 P.M.
- Internet access is available on all computers in the center.
- Up to four books at a time may be checked out for a period of two weeks and may be renewed.
- Lost books must be paid for or students will be added to the debt list.
- Copiers and printers are available at a cost of 10 cents per page to print.
- Media Center orientation is given in 9th grade English classes and other specific instruction is given when students or classes come in.

PERSONAL DELIVERIES FOR STUDENTS

In an effort to decrease interruptions into classrooms, please limit deliveries for students. **Students should come to school with lunch or get lunch from the cafeteria. Personal deliveries are discouraged and may be refused. Students should arrive to school prepared and with all necessary items.**

STUDENT PARKING

Parking applications are available to **SENIORS** and some **JUNIORS ONLY** at an annual cost of \$20. **Seniors** will be given first priority. Junior *Gold Card* holders will receive second priority, and junior *Black Card* holders will receive third priority. Due to limited parking, SOPHOMORES and FRESHMEN are not authorized to park on campus and may be subject to disciplinary action if they choose to do so. Parking hangtag should be used **ONLY** by the student to whom it was issued and in the **ONE** car for which it was issued. Misuse of a parking hangtag will cause student(s) to lose their parking privilege and be subject to other disciplinary action.

Please be reminded that off campus parking carries a risk of protest from residents as well as a security issue. Students should use caution when parking off campus. Parking fines can exceed \$30. Here is a list of common illegal parking seen in the area. Please avoid them.

- (1) Parked less than 10' from driveway
- (2) Parked in a no parking zone
- (3) Parked less than 15' from a fire hydrant
- (4) Parked less than 30' from a stop sign
- (5) Parked less than 20' from a crosswalk
- (6) Parked over 12" from curb
- (7) Parked facing traffic
- (8) Parked across from driveway (if road is less than 25' wide)

Notice: Vehicles on the property of Plant High School are subject to search by school officials. Disciplinary action will be taken for illegal possession of weapons, alcoholic beverages, drugs, and/or narcotics on the school grounds, surrounding the school grounds or at any school function. **NEW '20-'21: Student drivers will enter and exit at the Dale Mabry gate (open from 6:30am-8:45am and 3:15pm-4:00pm). If students arrive to school after 8:45am, the gate will be locked and they need to proceed to the gate off Himes Avenue to be buzzed in by school staff by showing their parking tag.**

STUDENT TRANSPORTATION

District school bus schedules are available online at <http://webquery.sdhc.k12.fl.us/> and in the Student Affairs Office.

Parents bringing students to school should not enter the Teachers' Parking Lots. **NEW '20-'21: Student drop-off and pick-up is on Himes Avenue in the front of the school. School buses ONLY will drop-off and pick-up on the Driver Education driving range from the north side of the school campus through the Sterling Avenue gate off of San Miguel Street.**

SCHOOL COUNSELING DEPARTMENT

Plant High School has six school counselors to meet the needs of students, as well as a college and career counselor. The counseling department focuses on the development of the whole student providing personal-social, academic, and college and career counseling. Support is provided for students through individual counseling and groups. We encourage students to establish a rapport with counselors and take advantage of the support we provide.

GET CONNECTED

Visit our website at <http://planthighguidance.weebly.com> to download Bright Futures Community Service Forms and to have quick and easy access to resources and important information. Students who wish to meet with a counselor can visit the guidance office before and after school or during your lunch without need of a pass.

BRIGHT FUTURES COMMUNITY SERVICE HOURS

In order for community service hours to count for the Bright Futures Scholarship, students must complete a Community Service Proposal & Hours Log and submit it to school for documentation. The two forms can be printed from our website. **Pre-approval is not required as long as service meets the guidelines.** Students can perform service activities throughout summer and submit forms to the Plant Guidance Office starting in September. Students should keep copies of all documentation submitted to the school for official recording. Visit our website to learn about volunteer opportunities.

BETA TUTORING

Get off to the right start with your classes! Get an early start with tutoring through our Beta Honors club. This peer tutoring program is offered to students through the guidance office and is for all subjects. To find information about Beta Tutoring Session days, times and locations, visit our website <http://planthighguidance.weebly.com> during the school year.

ACADEMIC RELATED INFORMATION

BAND

Band is a daily class that offers a performing arts credit for all students and honors credit for juniors and seniors. Band is divided up into various ability levels and only an audition is required for the advanced Wind Ensemble, Jazz Band, and Drumline. Marching Band is highly encouraged, but not required. Other forms of participation include Stands Only and Non-Marcher. The band performs 3-4 concerts a year, participates at football games and local parades, and supports the total school spirit throughout the year. Students from the band program may enter into extra opportunities such as the All-State and All-County Music Festival, and various honor bands held at universities across the state. The school has certain basic instruments to loan for a small rental fee. Students are expected to supply any necessary equipment to maintain his/her instrument throughout the year. More information about the band program can be found at, www.plantband.com or by talking with the Band Director, Mr. Dell.

CHEATING/PLAGIARISM AND THE HONOR POLICY

PHS Academic Honesty Policy - As a Plant High student, you are expected to understand and abide by the universally accepted view of academic honesty. **All academic work (including but not limited to homework, quizzes, labs, reports, essays, tests, exams, etc.) must represent your own authentic efforts and abilities.** Be sure to understand and comply with the policies of your teachers; it is your responsibility to ask for explanation. Academic dishonesty takes many forms; therefore, it is impossible to list every example. The following information will help you understand some examples of academic dishonesty, but *when in doubt, you are responsible for seeking clarification.*

CHEATING: giving or getting unauthorized help in an attempt to receive a higher grade. Some examples are:

- Giving or using unauthorized information, answers, or materials *before, during, or after* an assessment of any kind
- Discussing an assessment with *or in the presence of* another student that has not yet taken it
- Communicating information or answers in any way during an assessment
- Taking, copying, photographing, using or giving an assessment document (in part or whole) without teacher permission
- Selling, buying, providing, or gaining access to a previously given assessment document
- Claiming to have read a written work when, instead, having watched the movie, read summary notes, or taken some other “shortcut”
- Buying or downloading an assignment and turning it in as your own
- Submitting as new, a paper or project you or someone else previously submitted

INAPPROPRIATE COLLABORATION: copying or sharing assignments (in part or whole), unless given specific teacher permission to collaborate. Some examples are:

- Providing assessments or assignments to be copied by another student, or copying another student’s work
- Allowing someone else to do your work, or doing work for another student

PLAGIARISM: using someone else’s words or ideas and claiming them as your own. Examples include, but are not limited to:

- “Cutting and pasting” portions of another’s work without proper citation
- Switching a few words from another’s work without proper citation
- Using an author’s ideas, style or language without proper citation
- Submitting written work that is identical or significantly similar to another student’s

CONSEQUENCES OF ACADEMIC DISHONESTY (be it intentional or not) are determined by the seriousness of the immediate violation as well as your student record of previous violations. Consequences may include but are not limited to:

- Referral to the PHS Honor Council for a confidential peer conference
- Receiving a zero on the assignment or assessment
- Referral to Administration for disciplinary action
- Loss of school privileges (parking decals, incentive cards, leadership positions, etc.)
- Suspension or loss of membership in honor societies

CHORUS

The choral program offers one full performing arts credit per year and is open to all those interested in singing. The choral program provides opportunities for participation in annual Fall, Winter and Spring concerts, Madrigal Dinners, Rick's Café, district choral and solo music performance assessment, all-county and all-state honor choirs, as well as anthem singing and additional performances for campus events and throughout our community.

DRIVER EDUCATION

This course is offered to both drivers and non-drivers. It consists of a detailed study of traffic laws and safety in driving and an average of six hours of actual driving time in new, automatic-gear cars. Students must comply with all state laws regarding school attendance and drug-alcohol education necessary to receive a restricted driver's license. There is a nominal charge for this course.

MAKE UP WORK

An excused absence allows the student the opportunity to make up missed work. The student should, within the three-day period after the student's return, arrange a mutually agreed upon make-up time frame with his or her teachers. Know and follow any make-up policy communicated to you by any teacher.

It is advisable, when a student knows he or she will be absent for an excused reason and/or for school business, to seek missed work prior to the absences. Make-up work is solely the student's responsibility.

PEP O' PLANT

The school newspaper, *Pep O' Plant* and online website <https://phsnews.com/>, serve as a written picture of high school life and thoughts. Students accept responsibility for completing writing, photography/videography, and/or design assignments, meeting deadlines, and selling advertisements. Students acquire an understanding of the rigors of research, first-hand observation, and dealing with others in a professional manner.

Students are admitted into the program based on successful completion of an application, work sample, and favorable recommendations from former teachers and/or adviser invitation.

PHYSICAL EDUCATION (P.E.)

Students participating in physical education must meet the following requirements:

- Students are required to purchase a P.E. uniform for \$16.00 (a shirt and shorts) and wear the proper footwear.
- If the student's physical condition necessitates limited participation for more than three days, it is recommended that a letter from a physician be cleared through the Student Affairs Office.
- Physical education is an activity course. Therefore, lack of participation affects a student's grade. Days of non-participation should be held to a minimum.
- Lockers for storing student clothing will be mandatory for all students. (Sharing lockers is not allowed.)
- Dressing out for class is required on all activity days. If a student is excused from active participation due to illness or injury on game day, he or she is expected to dress out and remain with his or her class.
- Each time a student fails to dress out, points will be deducted from his or her participation grade.
- Dressing out is wearing the Plant P.E. shorts and shirt and athletic shoes. No credit is given for a partial outfit.

VOCATIONAL OCCUPATIONAL PROGRAMS

These programs consist of designated courses designed to prepare students to enter the specific occupational work area, or to continue advanced training at either the college or vocational trade school level.

YEARBOOK STAFF

The Yearbook staff publishes the yearbook, *The Panther*. Yearbook Staff is an elective credit of the English department and grades are based on performance of class assignments.

In the spring, staff membership is opened to current freshman, sophomores and juniors. Selection is made based on teacher recommendations, testing of writing or photography ability, and interviews.

SEMESTER EXAMINATIONS and GRADE REPORTING

Each class receives a combination of three grades [2 quarter (9-weeks) grades and 1 exam*] for each course each semester. These are averaged together on a 4-point system to calculate the final semester grade which will be on the student's transcript.

* For second semester, however, several classes are exempt from semester exams including year-long AP courses, year-long Intensive Reading and any or all courses for ONLY those SENIORS who meet the requirements for exempting one or more exams. In these cases the two quarter grades are averaged.

HCPS Student Progression Plan, full text: <http://www.sdhc.k12.fl.us/docs/00/00/21/33/studentprogressionplan.pdf>

To report a student's absence as excused, a parent must explain the reason either in person or by telephone at 813-272-3033 on the day of the absence but no later than three (3) business days after or the absence will remain unexcused.

A student must be in class at least one-half of the period to be counted present. A student absent for more than one-half of a period will count as an absence in that class.

NOTE: To maintain consistency with district and state attendance guidelines, absences will not be changed after the three business-day grace period.

Securing class assignments from teachers is possible if (1) the student will be out five days or more, and (2) if the request is made by the parent through the Student Affairs Office and permits the teachers involved to have at least 24 hours advanced notice.

A student must be in class at least one-half of the period to be counted present. A student absent for more than one-half of a period will count as an absence.

It is REQUESTED that sign-outs during pep rallies and other school events be limited to emergencies. A current emergency card must be on file before a student will be permitted to sign-out. Names for emergency contacts are extremely important and strictly enforced.

NOTE: Students who leave campus without signing out are considered skipping class and subject to disciplinary actions.

Please Note: Signing-IN or OUT can affect 2nd semester Senior Exam Exemption status. This includes PEP-RALLY DAYS.

STUDENT BEHAVIOR

All PHS students are expected to behave in a manner that will reflect favorably on the school not only during school hours but also at any out-of-school activity connected with the school. This includes school functions, field trips, football and basketball games, etc. Behavior at any such activity will be considered as part of the student's record, and misbehavior will be dealt with by the Sponsor or an Assistant Principal for Student Affairs.

Severe disciplinary actions will be taken if any student is found smoking, drinking alcohol, in possession of alcoholic beverages, smoking paraphernalia, and/or ANY controlled substance at any school function. The student will be subject to losing the privilege of attending school functions, taking part in school activities including accepting or retaining membership in honor clubs, suspensions, and legal fines. When entering the BUILDING, hats and visors should be removed and voices lowered. The no hat policy applies to girls as well as boys.

An adult-type behavior should prevail. Students are not to run, wrestle, push, horseplay, or shove inside the building. Public display of affection in the hallways or in any area of the PHS campus will not be permitted. Public display of affection shall be defined as kissing or embracing and other related physical actions.

Profanity will not be tolerated on the PHS campus. Failure to observe this policy will result in suspension.

1. An unexcused tardy exists when a student is not in his or her assigned seat or station when the tardy bell begins to ring. Incidences of tardy are cumulative across class periods.
2. A student should make every effort to be in class on time; however, any student failing in this effort will be considered tardy and subject, therefore, to disciplinary action including suspension.
3. Excessive unexcused tardiness shall be considered willful disobedience and the student will be subject to disciplinary action.

VISITORS TO PLANT HIGH SCHOOL

PHS students are not to arrange for friends or relatives from other schools or out-of-town to visit the school at any time. Any individual considered a non-student at PHS must obtain Main Office clearance and a Visitor's Pass prior to entering any part of the building. Any individual found on campus without a clearance from one of the Assistant Principals will be subject to arrest for trespassing.

STUDENT ACTIVITIES

The club program and extracurricular activities are a vital and educational part of our curriculum. Activities are organized at PHS to improve the school in general and the student body as a whole by offering to each student opportunities for exhibiting beneficial leadership and service.

ACTIVITIES CALENDAR

The Assistant Principal for Administration (APA) keeps an activities calendar. No social or miscellaneous event will be scheduled for **any club** within the school without first being approved by the APA.

Any social activity within the school will be held only when all necessary procedures have been cleared as stated under "Social Functions." Any school-sponsored trip approved by Florida High School Athletic Association (FHSAA) must have one adult chaperone for every ten students.

Prior to any club or function being organized at PHS, official permission must be given by the school administration. Parent permission forms must be completed and returned prior to the particular event. Medical information is required. Transportation arrangements should be closely monitored and observed per School Board policy.

SOCIAL FUNCTIONS

PROCEDURES

- The organization president and sponsor will first confer with the Assistant Principal for Administration concerning the date.
- A checklist must be completed and filed with the Assistant Principal at least 10 days before the proposed date of function (Forms are available in the Assistant Principal's office).
- The services of the following must be secured: **A)** One police officer who will be paid the standard rate. Depending on the event, more than one police officer may be required. **B)** A custodian will be paid for his or her services in compliance with the prevalent rate as determined by Hillsborough County Policy.
- Arrangements for the use of cafeteria facilities will be made with the lunchroom manager by the sponsor only after having cleared the activity and date with the Assistant Principal. Details of these arrangements will be indicated on the proper forms.
- Failure to follow proper procedure may result in cancellation of an event.

STUDENT TRANSPORTATION: FIELD TRIPS, ETC.

Generally, students are not allowed to drive themselves or other students to or from school sponsored events. This is consistent with School Board policy. Some competitive events however, prevent bussing or adult-driven automobile transportation. If parents have reservations about such situations, family members should agree upon whether or not the child participates.

CLUBS

Clubs are a great way for students to get involved within the school. Plant High School offers a wide variety of clubs from which students may choose. Clubs are student based school organizations that exist with the guidance of a school sponsor. Students join clubs for many different reasons, leading to a very diverse group of individuals. Clubs are a major part of helping with the community organizations. Many organizations reach out to clubs for community service help. Joining a club is also a great way to make new friends. Each club has a specific set of requirements. Some of the requirements for the active clubs are:

INITIATIONS, HAZING, & ROASTS

There will be **NO** initiations, roasts, or hazing by clubs. Under no circumstances should a school organization be involved in any action or situation that endangers the mental or physical health or safety of a student for purposes of initiation or admission into or affiliation with any school-sanctioned organization. Hazing demoralizes a person and sets the wrong tone for the organization. No PHS organization may request students to dress or act in such a manner as to disturb the routine of the school day.

CLUB FILE

A folder containing the constitution, list of officers, proposed activities, and money-raising projects for the year for each club is to be on file with the sponsor. Any changes in club policies or functions must be promptly recorded in this folder.

INDUCTION CEREMONIES

Formal induction ceremonies of new club members will be scheduled with the Assistant Principal for Administration. Inductions of a roasting or hazing nature violate the policies of the school. All club inductions will be given only with the club sponsor present.

MEETING SCHEDULE FOR CLUBS

No club will meet, either at a home or at school, unless a sponsor is present. Clubs will meet according to a rotation schedule determined by an Assistant Principal. The schedule will be posted in the school calendar accessible to the club sponsor. Monthly meetings will take place during the appropriate announced period or as called by the sponsor and president.

OFFICERS AND MEMBERSHIP

Membership in any organization is voluntary. Thus, students taking part in the activities program at PHS assume responsibility associated with these organizations. Whenever meetings and duties conflict with academic work, the student involved is responsible for contacting the teacher before the time of the activity.

Accepting an officer's position in any organization is an honor but carries with it additional responsibilities. Any student who feels he or she cannot meet these responsibilities should decline this nomination. Any officer who fails to meet his or her responsibilities may be removed from that office.

A student may be a member of only one service club. Honor Club membership is earned and therefore not limited to only one club. Membership in interest clubs also demands time and effort; therefore, selection should be deliberate and limited.

TYPES OF CLUBS There are four main categories of clubs at PHS. These clubs include honor clubs, service clubs, interest clubs, and vocational clubs. Membership in the various clubs varies according to the type of club. Students and faculty members can organize new clubs to meet the needs and interests of the students with approval. Applications for new clubs must be made through the Assistant Principal assigned to oversee clubs and be approved by the Inter-Club Council (ICC).

AWARDS, HONORS, ELECTIONS & MISCELLANEOUS

Students being recognized as Honor awards represent PHS and are expected to be attired in an appropriate manner. This includes any pictures that are submitted as part of this recognition and would entail dress to include “jacket and tie” attire for the young men and suitable “dress” attire for the girls. Dinners and ceremonial events held as part of this recognition are included in this expectation for proper dress.

Early admission seniors are not eligible for Salutatorian or Valedictorian recognition. They are, however, eligible for recognition as Honor graduates.

BOYS' STATE and GIRLS' STATE

Boys' and Girls' State is a practical application of Americanism and good citizenship. The entire program is an attempt to teach the youth of America a love of God and Country. Its purpose is to provide citizenship training for boys and girls of high school age in as many localities as possible; to inform them about the duties and privileges of American citizenship in order that they may understand the functioning of their government; and to help them grasp the meaning of the responsibilities which they must assume when they become adults.

To be fully eligible to participate, candidates must be citizens of the United States. Candidates also must be single, a member of the Junior Class, and must not have participated in a previous session.

Each spring each faculty member is asked to nominate a limited number of students. The nominations are based on leadership, physical fitness, character, courage, honesty, and scholarship. A ballot composed of all students receiving more than one nomination is presented to the faculty for vote. The boys and girls receiving the most votes are selected to attend.

CLASS OFFICER

A class sponsor for each class will be appointed by administration. Classes will elect the following officers: President, Vice President, Secretary & Treasurer. Elections are supervised by the Student Council and held in the following manner. Anyone who wishes to run for an office should complete the appropriate application. Ballots are prepared by the Student Council. Students will vote for officers for their class only.

CLASS OFFICERS QUALIFICATIONS AND REQUIREMENTS: Prerequisites:

- Have an unweighted GPA of 3.0 or better.
- Have not had any disciplinary action during current school year. Incoming freshmen will have their eighth grade year checked for this prerequisite.
- Must maintain good attendance.
- Must receive positive responses from current teachers, coaches, and sponsors of clubs.
- Work in harmony with the other officers as well as the sponsor. Failure to do so will result in disciplinary probation for the next nine-week period.

EXECUTIVE BOARD

The Executive Board position will consist mostly of planning and implementing events around campus and the community. This leadership position will be dedicated to learning the traits of leaders and becoming role models within the school and the community. As leaders of PHS, elected members are expected to act in a mature and responsible manner at Plant High School as well as in the community.

REQUIREMENTS:

- be a current Junior or Senior
- have a GPA of 3.0 or above
- have a good conduct & attendance record
- enroll in the leadership skills class

GOLDEN PANTHER AWARD

An outstanding senior in each academic area is awarded this honor, based on leadership, scholarship, and aptitude. Selection is made by the department faculty, by academic discipline.

HALL OF FAME

A section of the yearbook is devoted to the Hall of Fame each year. This section honors outstanding members of the senior class. The faculty is asked to nominate any students they feel are worthy of consideration for Hall of Fame. Students receiving three teacher nominations are placed on the final ballot for a faculty vote. The top twenty-five are featured as the Hall of Fame, which is announced when the yearbooks arrive.

NOTABLES

Each year the senior class elects from its members, students whom they consider to be outstanding in various areas such as personality, scholarship, appearance, etc. Any senior with a satisfactory discipline record in the Student Affairs Office is eligible for this honor. The students receiving the greatest number of votes from the senior class are selected.

PANTHERILLA COURT and JEWEL CIRCLE

In the second semester of each year, the Student Council sponsors “Pantherilla”, Plant’s prom. As a part of this function, the Senior and Junior students elect boys and girls to represent them in the Jewel Circle and Court. A ballot will be prepared of the eligible nominees. Juniors will vote for eight boys and eight girls from the Junior class and Seniors will vote for 5 boys and 5 girls from the Senior class. Boys and girls receiving the most votes will constitute the Jewel Circle. The 5 Junior and Senior boys and girls receiving the greatest number of votes from their respective classes will comprise the Pantherilla Court.

PEERS - Panthers Exemplify and Encourage Real Success (Student Mentors)

Gives upperclassmen students an opportunity to guide and encourage other Plant students to reach their full potential. Although upperclassmen students will earn volunteer hours, the main purpose of **PEERS** is to spend some time each week teaching, encouraging and talking with 9th grade students here at Plant about a variety of topics. Mentors will be matched with ONE, TWO or THREE 9th grade students and will be their mentor for the entire school year. Mentors are responsible for meeting with their PEER buddies at least 30 minutes per week before/after school.

PLANT THEATRE COMPANY

The Plant Theatre Department currently offers twelve elective theatre courses in Theatre, Acting, Musical Theatre, Technical Theatre (stagecraft, lighting, sound, etc.) and Costume, Makeup & Props. Plant Theatre also produces 3 or 4 mainstage productions per school year which can include a Fall Production (straight play or musical), a One-Act Competition Piece, a Winter Play or Showcase, and a Spring Musical. We also compete in Individual Events at the District and State levels which can include Performance and Technical Events such as Solo Musical Performance, Ensemble Acting Performance, Scenic Design, Publicity Design, and Playwriting, to name a few. We create performance pieces for several school events during the year including Panther Prowl, Spring Fling and more. In addition to serving as tech staff for our productions, our technical theatre students also work non-theatre events in the auditorium. These are most often meetings, concerts, and awards ceremonies. Auditions for most productions and events are open to the entire student body including the mainstage productions so students are not required to take a theatre class to be in a show. Although, students intent on growing as actors and technicians should strongly consider enrolling in theatre coursework.

DUES AND FEES vary depending on the size and scope of a particular production.
