HOME OF THE BULLS

"Where Learning is Our Business"

Dear Pizzo K8 Families,

I am thrilled to introduce myself as your new principal and to welcome you back for another exciting school year! With a degree in Educational Leadership and several years of experience as the assistant principal here at Pizzo K8, I am deeply committed to fostering our engaging and inclusive learning environment.

My background across magnet programs, transformation models, and diverse educational settings empowers me to provide students with a unique academic experience. I'm passionate about creating a school culture where students are skilled in goal setting and self-assessing their progress. These practices help equip our learners with the tools they need to become successful, confident, and ready to achieve their future aspirations.

As we kick off the year, I'm excited to invite you to our **4th Annual Family Back to School Barbecue!** This event is a fantastic opportunity to reconnect with friends, meet our amazing staff, and engage with other families in our community. Join us on **August 30, 2025, from 11:00 AM to 1:00 PM** at Pizzo for delicious food, fun activities, and an inside look at what we have planned for this school year.

At Pizzo K8, our mission is to nurture each student's potential through innovative learning experiences and strong community connections. We are committed to helping every student, every day, by providing high quality instruction and individualized support tailored to their needs. Our certified staff is dedicated to ensuring every child receives the guidance they need to thrive both academically and personally.

Our Core Values: Respect, Integrity, Commitment, and Excellence

These values are the foundation of our school culture and essential to creating an educational environment where students flourish:

- **Respect:** We cultivate an atmosphere where every individual—student, staff member, and parent—is honored and heard. This mutual respect fosters empathy, cooperation, and healthy communication throughout our school community.
- **Integrity:** We encourage our students to take ownership of their learning and choices, cultivating honesty and responsibility in all that they do.
- **Commitment:** We are dedicated to helping every child succeed. Our staff consistently goes above and beyond to provide meaningful academic and emotional support, ensuring that perseverance and purpose are modeled daily.
- **Excellence:** We strive for excellence in every aspect of education—from instruction to behavior. Our aim is to empower students to set high standards for themselves and take pride in their achievements.

These guiding principles shape how we teach, learn, interact, and grow. They reflect the spirit of Pizzo K8 and inspire us to build a community where every child is equipped to rise and lead with purpose.

Additionally, our school uniform and attendance policies are essential to maintaining a focused learning environment. Uniforms promote unity and reduce distractions, allowing students to concentrate on the values of education. Consistent attendance

empowers our teachers and staff to fulfill our mission of ensuring every child learns every day, helping each student reach their greatest potential.

Beyond academics, we're committed to strengthening our family connections through a variety of events this year. Be on the lookout for celebrations such as our **Fall Festival**, **Winter Wonderland**, and **Passport to Pizzo**. These, along with parent conferences and student led showcases, offer meaningful ways to engage in your child's growth and celebrate their achievements.

Stay Connected

We value strong communication and encourage families to stay up to date and involved through multiple channels:

-  **Phone/Text Alerts:** Look out for important updates via calls or text notifications
-  **School Website:** Visit www.hillsboroughschools.org/pizzo for newsletters, calendars, resources, and more
-  **Facebook Page:** Follow us at facebook.com/profile.php?id=61563210753170 for school highlights, event photos, and announcements

We're committed to keeping the lines of communication open, responsive, and accessible to every family.

Thank you for your continued partnership in empowering our children to discover and reach the greatness within themselves. I encourage you to stay involved and participate in school events all year long—your engagement is the heartbeat of our thriving community.

I look forward to seeing you at the barbecue and beginning this incredible journey together!

2025-2026 UNIFORMS PIZZO K-8 SCHOOL IMPORTANT INFORMATION

Many parents, teachers, and school officials have come to see school uniforms as one positive and creative way to reduce discipline problems and increase academic focus and school safety. Uniforms help students concentrate on their school work, level the socioeconomic playing field, provide a sense of community, and build school pride. Uniforms reinforce to students that school is their job and they are there to learn. **Additionally, uniforms are less expensive than other clothing.**

Uniform Policy is outlined below:

1. **Pants/Shorts/Skirts**

Solid tan khaki or navy blue pants, jeans without holes/rips, shorts, skorts, skirts, capris. Pants/shorts etc. should not have any wording/graphics down the sides or across the back. A Belt must be worn with pants/shorts. Students without belts may receive a zip tie or rope to secure pants.

2. **Shirts**

Uniform shirts are solid polo shirts of the following colors: **Green, Gray, White, or Yellow**. Shirts must have collar.

3. **Shoes**

Students should wear close-toed shoes with backing.

4. **On Fridays** students may wear any official Pizzo spirit shirt, Team or Club t-shirts. PE shirts are permitted in PE only.

5. **Dress Up Days**

Students will have the opportunity to have days where they will be asked to dress up. This year we will provide opportunities for your child to be engaged by leaders from different career paths.

In addition to the Uniform Policy, Hillsborough County Dress and Grooming Policy (as printed in Student Handbook) will be strictly enforced.

Uniforms help to ensure safety. It tells us who belongs to our campus immediately. Parents, we need your help to ensure that our students have the tools to succeed in school. One of the ways that you can do this is to ensure that your child is in school uniform daily. Students will also be paid through our token economy daily for being in uniforms. They will be able to use this payment to purchase things on campus.

This plan will help maximize the health, safety and welfare of students, staff and visitors should an emergency arise on our campus.

Asbestos Management Plan

In accordance with federal regulations for asbestos management in schools (40 CFR 763, Subpart E) each school in our district maintains an asbestos plan for public review. This document identified the location of all known asbestos containing materials. Contact the school or the District Safety Office for more information.

Student Schedule Information

Student schedules can be pick up during Open House. Schedule change requests will not be reviewed until after the second week of school. Schedules are not typically changed for reasons such as teacher preference. Elective class changes are made pending availability. Scheduling in Reading courses is based upon state statute.

Schedules with ERRORS will be corrected as soon as the errors are detected.

Academic Excellence

Student schedules are assigned based on standardized test scores, teacher recommendations, and state laws. Students are scheduled into the most rigorous courses available, based upon academic need. Schedule changes are processed through the Guidance Department and approved by either the Principal or the Assistant Principal for Curriculum. Request forms are available from any adult on campus.

In an attempt to achieve college-readiness, all students will be exposed to AVID strategies. AVID stands for Advancement Via Individual Determination. All students will be required to have a 3-inch binder to organize class-work and other assignments. More information will be provided during the first few weeks of school.

Dear Parents and Guardians of Students; Faculty and Staff:

The Florida Department of Environmental Protection (FDEP) is a state agency that oversees the cleanup of sites throughout Florida. The FDEP is responsible for notifying School Boards throughout the state when any contamination is discovered at school property. School Boards which receive such notice are further required to notify all Faculty, staff, parents, and guardians of students attending the school.

In 2009/2010 school year, the FDEP notified the Hillsborough County School Board regarding the identification of soil and/or groundwater contamination at several school locations. This letter is to fill the annual requirement of notification for the identified locations. In addition, the School Board also decided to voluntarily expand their notification process beyond FDEP requirements to include other school locations based upon a review of available information regarding historical as well as more recent soil and groundwater testing results.

DUE TO THE LOW POTENTIAL FOR EXPOSURE, THE SOIL AND/OR GROUNDWATER CONSTITUENT CONCENTRATIONS IDENTIFIED AT THESE LOCATIONS DO NOT POSE A SIGNIFICANT HEALTH RISK. THE SCHOOLS ARE SAFE FOR STUDENTS, PARENTS, STAFF AND VISITORS.

A listing of the schools identified for which the School Board has/is providing notification at this time is as follows.

Brandon High School	Buchanan Middle School	Just Elementary School
Kenly Elementary School	Leto High School	Lockhart Elementary School
Mann Middle School	Marshall Middle School	MacFarlane Park Magnet
McLane Middle School	Mendenhall Elementary	Morgan Woods Elementary
Oak Park Elementary School	Pinecrest Elementary School	Pizzo K-8 School
Plant City High School	Plant High School	Robinson Elementary School
Town & Country Elementary	Wilson Middle School	Young Middle Magnet

Additional relevant information for each school is available in the Principal's office. You are invited to review this information at your convenience. Additionally, to assist you in understanding this information and to answer questions, the FDEP and the Florida Department of Health (DOH) have established two toll free information lines. DOH number 1-877-798-2772 and FDEP number 1-866-282-0787.

Estimados Padres y Tutores de Estudiantes; Profesores y Empleados:

El Departamento de Protección Ambiental de la Florida (FDEP) es una agencia estatal que supervisa todas las operaciones de limpieza de todos los sitios/lugares a traves de todo el estado de la Florida. La carta es para llenar el requisito de notificación para las localidades. Además, Las Juntas Escolares también decidieron voluntariamente ampliar su proceso de notificación más allá de los requisitos de el FDEP e incluir a otras ubicaciones de las escuelas basadas en análisis históricos haci como la información mas reciente recibida de los resultados de las pruebas realizadas de el suelo y las aguas subterráneas.

DEBIDO A LA BAJA POSIBILIDAD DE ESPOCISIÓN EN EL SUELO Y LAS AGUAS SUBTERRÁNEAS O LAS CONCENTRACIONES DE COMPONENTES IDENTIFICADOS EN ESTOS LUGARES NO DEMUESTRAN UN GRAN RIESGO PARA LA SALUD. LAS ESCUELAS SON SEGURAS PARA LOS ESTUDIANTES, PADRES DE FAMILA, PERSONAL, Y LOS VISITANTES.
