

Northwest Elementary School
“Where Futures Begin”

Dear Parents,

Aug-21

Welcome to Northwest Elementary School! Your child will be attending a school that provides quality education for the Northwest community. We are proud of the fact that for the past 20 years we have earned the “A” grade from the State Department of Education. We are also recipients of the Golden School Award for 30 consecutive years. Our dedicated faculty and staff are committed to providing every child with the best educational experience possible.

Our 2021-2022 school year begins on Tuesday, August 10th. All registered students have been assigned to a homeroom. Listed below you will find the names of our grade level homeroom teachers and their room numbers.

You can identify your child’s homeroom teacher by looking at the address label on the front of this letter. The address label will have a four digit number in the upper right hand corner. Match this number with the number listed below and you will identify your child’s teacher, grade level and room number.

Example: To the Parents of Sally Jones KG01

The first two digits (KG) indicate that the child is in Kindergarten. The last two digits (01) indicate the section number. Mrs. Fink's name is listed beside KG01 which shows that she is the homeroom teacher and the room number is 123.

Homeroom numbers in the 100 range are located on the first floor of the building. Homeroom numbers in the 200 range are located on the second floor of the building. Homerooms 301-312 are in the building which is located on the east side of the campus.

***NOTE: Due to constant changes in enrollment, the possibility exists that some students and/or teachers may be reassigned to new homerooms at the end of the first 20 day period.**
