North Tampa Success Center

July 16, 2024

Dear North Tampa Success Center Parents and Students!

I hope you have enjoyed your summer thus far. I would like to take this opportunity to welcome you to the new school year of 2024-2025! Our theme this school year is **We Are Family (WAF)**! I am excited to begin a new school year and have students back in our classrooms enthusiastically learning. We will continue to provide students with rigorous, engaging, and supportive educational experiences.

The components of this year will focus on continuous improvement, building community while working with twenty-first-century urban youth, and STEAM (Science, Technology, Engineering, Arts, and Mathematics). Our weekly and monthly sports and field days will consist of basketball, soccer, volleyball, and football.

As a parent, grandparent, and former teacher, I value the character development of our students. Therefore, I am eager to announce that we have exciting electives and clubs.

Our character education wheel electives and clubs this year will include:

Financial Literacy	Basketball
