## North Tampa Success Center

July 19, 2022

Dear Parents and Students:

My name is Dr. Shonda Flores, principal at North Tampa Success Center. I am excited to begin my third year here at North Tampa Success Center. We will continue to focus on the Positive Behaviors our students demonstrate and reward these students throughout the school year (ex. PBIS celebrations, PRIDE, Daily Shout Outs, Showing others kindness, Student Monthly Recognition, School Dances, Fieldtrips). Our Social-Emotional Wheel electives and clubs this year will include culinary arts, forensics, weightlifting, photography, arts (music and drama) and gardening.

My main goal is to ensure that every student is provided the highest quality of education possible in an environment that is safe and supportive. We set high behavior and academic expectations for your child and provide supportive systems to assure they are met. We will build a positive school culture, engage the community, increase student performance, and assure that our students are prepared to transition back to their traditional school. We are excited to bring back our AVID program for the 22-23 year.

To accomplish our goals, we need to focus on the 4 As to Success. These are Attendance, Academics, Attitude, and Activities. I believe that by adhering to the basic ideas rooted in these four concepts, our students will become connected, capable, and contributing individuals. When we, as adults and role models, also adhere to these concepts, our students reflect the value of these concepts.

Included in this information is our school hours, homeroom assignments, Open House, and the Title I meeting, and bus passes. Students will receive North Tampa policy and procedures on the first day of school. Every parent and student should become familiar with this information.

You are invited to attend our Open House on Monday, August 8<sup>th</sup> (schedule included). This is an opportunity to meet your child's teachers, locate their classes, and become familiar with our campus, join PTSA and our School Advisory Committee, SAC. Parent Involvement is imperative to your child's educational success.

We look forward to working with you and your family.

Sincerely,

Dr. Shonda L. Flores, PhD  
Principal
