

McDonald Elementary

Welcome Back

2020-2021

Principal Message

As the principal of McDonald Elementary it is my pleasure to welcome you to the 2020-2021 school year. Regardless of the model that we return to school (brick-and-mortar, eLearning, etc) we are excited to have students back engaged in learning! The theme for this school year is "It's a Whole New World of Possibilities." Although we don't know exactly what school will look like, we know this year is full of great possibilities. The first day of school is Monday, August 10th and we have plans in place for all models of learning to continue the high expectations that we set for all of our students. Thank you for entrusting your student in our care. As a mother and a principal, I know how precious they are to you, and I assure you that they are to me as well. We will always place an extraordinary value on the health and safety of our students, faculty, and families. As a team we will adapt and overcome the challenges of COVID -19. As we begin a new school year, we will continue to make every student feel welcomed, connected, and a part of the Mustang family. Sincerely, Melanie Cochrane

Construction Update

Construction has continued at McDonald and we couldn't be more excited to share our brand new classrooms with students and families. Our beautiful building will be ready for the energy and enthusiasm that learning and a new school year brings. Whether it ends up being in person or through a virtual experience, our new learning environments are amazing places to learn and grow.
