MYP Curriculum - Defining Points

- **Conceptual understanding** – going beyond memorizing facts
- **Global contexts** – identities and relationships, personal and cultural expression, orientation in space and time, scientific and technical innovation, fairness and development, and globalization and sustainability
- **Approaches to learning** – communication, social, self-management, research and thinking skills
- **Service as action** (community service)
- **Inclusion and learning diversity**

MYP CURRICULUM APPROACH

HOW WE TEACH IT

- ✓ best practices
- ✓ fused/layered with state & local content
- ✓ is not "more," it is just a different focus MYP approach is concept-driven
- ✓ concepts transcend subject groups/disciplines to help students see connections between subjects and overarching ideas
- ✓ helps students focus on HOW they learn and aims to help students consider their own learning and what enables them to be successful learners (metacognition)
- ✓ encourages students to ask questions
- ✓ requires internal assessment - rubric based

MYP SUBJECTS

- Language and Literature
- Mathematics
- Sciences
- Individuals and Societies
- Physical and Health Education
- Language Acquisition
- Design
- Arts

LEARNER PROFILE ATTRIBUTES

The aim of the IB MYP is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.

We believe these attributes, and others like them, can help individuals and groups become responsible members of local, national, and global communities.

Service as Action

Learning outcomes for service:

- Become more aware of their own strengths and areas for growth
- Undertake challenges that develop new skills
- Discuss, evaluate and plan student-initiated activities
- Persevere in action
- Work collaboratively with others
- Develop international-mindedness through global engagement, multilingualism and intercultural understanding
- Consider the ethical implications of their actions

Why Choose IB?

- In Hillsborough County Public Schools, the MYP is offered as a 3-year program during the traditional middle school years
- In Year 3, students may apply for the high school Diploma Programme working towards earning the IB Diploma in addition to a traditional High School Diploma.
- The IB Diploma is recognized around the world as a prestigious and rigorous accomplishment.
- Unique to Plant City, we have **all three** IB Programmes available:
 - Lincoln, Marshall, & Strawberry Crest

- Primary Years Programme

- Middle Years Programme Candidate

- Diploma Programme

IB MYP is for ALL Students

- There is NO academic requirement to enter Marshall Middle Magnet
- Students with IEPs, EPs, and 504 Plans are welcome to apply.
- All students will follow the Marshall Honor Code to strive toward the IB Learner Profile attributes.

- The IB MYP is rigorous and requires expectations and experiences that are academically, intellectually, and personally challenging.
- Marshall Middle Magnet provides a high quality innovative program that promotes choice, equity, diversity, and academic excellence for all students.

AGP - Gifted

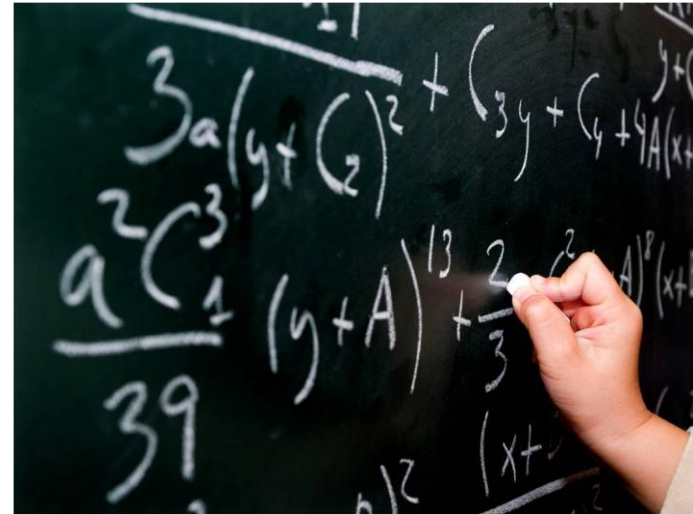

- Students with gifted Education Plans (EP) do not need to be retested when entering middle school.
