Our Mission Statement

To empower the student with the essential tools to become a responsible and contributing member of the community.

Our Vision Statement

Preparing Students for Life

Greetings Parents and Students,

Wow, what an end to the year we had! The last 9 weeks 2019-2020 was spent eLearning and then many of you spent the summer stuck in or near your home. Regardless, I hope you have had a restful, safe and fun filled summer. I also hope your summer was filled with great moments with family and friends. I am truly honored to be the Leader of the Mann Raiders. I am so humbled and appreciative of everyone that sent and will continue to send their children to us every day with the expectation of fun, safety and academic progress. I know many of you had to make a choice of whether to send your children back to "brick 'n mortar, Hillsborough Virtual School or continue with eLearning. No matter your choice show up every day with the energy and desire to be productive here and beyond. Remember you are still a part of the Raider Family and any needs you have we will assist you in meeting them.

To our 6th graders and new students, I say, "Welcome"! To our returning 7th and 8th graders, I say, "Welcome Back"! Your Mann teachers are so excited about this school year. They have spent much of their summer enjoying their family and adjusting to the New Normal, but they have also been contemplating and strategizing how to ensure learning continues at the optimal level for all of you. Be sure to share with them what you have been doing this summer and the excitement you have for this school year!

There are a few new and continued initiatives that will be in place this year to add to the culture and environment of Mann:

No Cell Phones – Students will not be able to use cell phones or other personal electronic equipment on campus, including in the cafeteria. Cell phones should be turned off and placed in their pocket or backpack during the entire school day. Student will have access to phones in the Student Affairs office if they need to contact you. Please call the school at 744-8400 if you need to get a message to your child.

Breakfast in the Classroom – Students will be enjoying breakfast in their first period classroom this year. There will be multiple Breakfast Carts located on campus. When your child arrives, they will go to their predetermined cart to get breakfast. They will then take their breakfast to their first period classroom to enjoy it.

No Hats/Hoods worn on campus – Hats/hoods and other headgear is not to be worn on the head while on campus. This is a dress code violation and will be handled accordingly. The exception is during P.E.

Hand Sanitizer Stations – there are multiple hand sanitation stations located around. Please use them liberally! Also, when you go to the restroom, please make sure you wash your hands for at least 20 seconds to ensure proper hygiene.

Masks – All students, staff and visitors are strongly encouraged to wear a mask while on campus. The district has provided all students with at least 3 reusable masks. We will have extra masks on campus, also.

Parents, please ensure that your contact information is updated with correct phone numbers, home addresses and email addresses. Regular communication will be sent out during the school year using these contacts. Also, please follow myself (@DanteJones_HCPS) and the school (@Raiders_Media) on Twitter for additional important information during the year.

I look forward to seeing your child on the first day of school, Monday, August 10th. I am extremely excited about the 2020-2021 school year and look forward to working with you and your child.

Danté Jones
Principal

Thursday, August 6th
Times—TBD

You will have an opportunity to meet your teachers and visit classrooms. **PLEASE BRING YOUR ADDRESS LABEL WITH YOU.** The address label of this newsletter has your homeroom section and room number in the corner. You will report to your child's 1st period/homeroom, where you will receive your child's schedule and a map. Once you have your child's schedule you may visit the classrooms on your own. Parking is available in the field behind the gym. Please wear a mask and social distance when possible.

To The Family of
John Doe
1234 First Avenue
Brandon, FL 33510

0808-101

The **HOMEROOM/1ST PERIOD** is the last 3 digits. Please locate the room on the map included and report there for your schedule at Open House. If you are having difficulty locating the room. There will be staff stationed all around campus to assist you.

READY FOR THE 7TH GRADE

NOTE: 7th graders who are NOT in compliance and do NOT have A RED HAPPY FACE on their address label on the outside of this newsletter will NOT be allowed to begin school the 1st day until they are in compliance with their shots.

IT'S THE RULE
SHOTS BEFORE SCHOOL.

IMMUNIZATION

NEW SCHOOL POLICY CELL PHONE and ELECTRONIC DEVICE

You may have your cell phone at school, but you are not allowed to use it during the school day. Your phone must be turned completely OFF (not on vibrate or silent) when you arrive on campus at 9:00am. Electronics and headphones/earbuds must be put away and out of sight during the school day. You may turn your phone back on after the school day ends. If your cell phone/earbuds/headphones are out or you are using it during the day at any time, items will be taken and turned in to the Administration Office. If parents need to get in touch with their child, they may call the Main Office at 813-744-8400.

School Supply List

- 3" Three Ring Binder
- Binder Pencil Pouch
- #2 Pencils
- Blue or Black Pens
- Highlighters
- College Ruled Paper
- Dividers
- Page Protectors

Ready For 7th Grade?

The State of Florida requires all students entering 7th grade for the 2020-2021 school year need to have a Tdap (tetanus, diphtheria, pertussis) booster. The immunization must be documented by a health care professional on a Florida Certification of Immunization (680) form. Please send in your updated immunization form to the Main Office.

Florida State Law requires physical education for all 6th, 7th, and 8th grade students. An up-to-date statement from a doctor requesting curtailment or elimination of physical education must be on file at the school if your child is to refrain from any or all physical activities. **All students will dress out** for P.E. classes. Uniforms will be available through our P.E. department for \$20.00 each set (shirt and shorts). Students will be issued a P.E. locker for a \$5.00 rental fee. P.E. uniforms can be purchased at Open House. **Cash or money order only Proper shoe wear is required. Flip flops cannot be worn to PE.**

Y.E.S

HCPS has amazing volunteers and community partners!

All volunteers and community partners must complete or reactivate the online Volunteer Application **each** school year. This includes Level 2, fingerprinted volunteers. New applications for current school year become available on July 1, the start of the new school year. Thank you.

Transportation Questions?

Transportation information will be at <http://www.sdhc.k12.fl.us/> on or around August 3. The bus routes may run late coming and going the first few days of school until runs can be adjusted. Any questions or concerns regarding buses, please contact Transportation at 740-3713.

The cost for school lunch is \$2.75. Applications for free lunch were mailed out to all households this summer. The applications should have been completed and returned in the postage paid envelope. There are lunch applications available in the Main Office. As a reminder to our parents, **students will not be allowed to charge their lunch. We ask that you plan accordingly to make sure your child has money or something to eat each day for lunch. Families must reapply at the beginning of each school year to receive free lunch, since temporary status is only good for the first 30 days. Prior to approval, parents are responsible for the payment of all meals until the application is processed.**
