

Campus Health Protocols

- Require face coverings for students and staff when social distancing is not possible
- Install hand sanitizing stations in high traffic areas
- Increase deep cleaning and sanitation protocols with custodial staff
- Screen all visitors and limit movement on the campus
- Frequently replace air filters on HVAC systems
- Frequent sanitation of high-touch areas throughout the day
- Limit capacity in restrooms and confined spaces
- Initiate contact tracing protocols for positive cases

Transportation Procedures

- Require face coverings for students and staff on the bus
- Increased sanitation protocols for transportation after completion of routes
- Encourage social distancing at bus stops
- Create distance between children on school buses when possible
- Staggered arrival and dismissal procedures

Arrival, Dismissal, & Movement Procedures

- Protocols will be established for class transitions
- Parent pick-up and drop-off procedures
- Require face coverings for staff where social distancing is not possible
- Increased signage in arrival and dismissal areas
- Parents will conduct wellness checks prior to students arriving to school

Classroom Environment

- Require face coverings where social distancing is not possible
- Handwashing breaks throughout the day
- Minimize the use of shared items
- Increase the use of digital instructional resources and 1:1 materials
- Cohort elementary students to reduce exposure when possible
- Maximize space between student stations

Student Protection Protocols

- Provide reusable face coverings
- Increased Sanitation Stations throughout the school
- Potential Breakfast-in-the-Classroom and Grab-n-Go options
- Single Direction Walking with proper signage
- Reduced Classroom Seating when possible
- Lunch Outdoors/In Classroom

Staff Protection Protocols

- Daily Temperature Checks
- Provide Reusable Face Coverings
- Provide Cleaning Supplies and Training on Proper Sanitation Procedures in the Classroom
- Avoid Sharing Equipment
- Virtual Meetings When Feasible
- Physical Barriers in High Traffic Areas (Front Office, etc.)
