# Hillsborough County Public Schools Processing Specification for Library Media Center Materials

SHIP TO ADDRESS FOR <u>MATERIALS</u> Use School Address as indicated on P.O. SHIP TO ADDRESS FOR <u>MARC DATA</u> Email to <u>librarytechnical.services@hcps.net</u> -or- Library Technical Services download from vendor website

These specifications replace all previous specifications and should be kept on file by the vendor. Purchase orders will be placed "as per Hillsborough County specifications" and should be filled by the vendor according to these specifications.

- Vendors must comply with the specifications listed in this document in order to remain on the approved vendor list.
- Schools will be notified electronically when any vendor submits MARC records, barcodes, or processing that does not comply with the specifications listed in this document, or that has an adverse effect on the school, which placed the order.
- If the specifications in this document are updated, corrected, or improved the vendor will be sent an updated version of this document.

#### VENDOR PURCHASE ORDER INSTRUCTIONS

- 1. Vendors should call Library Technical Services at 813-840-7050 for approval to send back orders or substitute titles.
- 2. Back orders sent without prior approval are subject to return at the expense of the vendor.
- 3. Purchase order amount includes books or AV materials, processing costs, MARC records, and any shipping charges.
  - a. Processing includes MARC records file for each order, shelf ready processing for books or audiovisual materials (attached spine label and barcode label).
- 4. The vendor must email at Librarytechnical.services@hcps.net to obtain a barcode number range for each order.
  - a. Request must include: Hillsborough County purchase order number, vendor name, vendor contact person, phone number, number of barcodes requested.
- The following set of instructions are printed in the Vendor Comments section of each purchase order VENDOR: ONE SHIPMENT ONLY – NO BACK ORDERS DO NOT EXCEED PURCHASE ORDER AMOUNT

#### **GENERAL INFORMATION**

- 1. Hillsborough County Public Schools (HCPS) uses Sirsi-Dynix Symphony Version 3.7.1 for all schools, with the exceptions of three partnerships schools with the Tampa-Hillsborough County Public Library. See p. 5 for Partnership Library Specifications.
- 2. MARC records for materials ordered for schools must arrive on or before the day items arrive at the school.
- 3. A separate file is required for each purchase order.
- 4. MARC records for canceled, out of print, backordered, or any items not supplied should not be sent.
- 5. MARC records MUST be accompanied by a report listing the purchase order number, school name, barcode number, brief title, call number, control number, and cost of each item.

#### MARC RECORD SPECIFICATIONS

Library Technical Services views the Library of Congress as a "lowest common denominator." Samples from vendors that delete data from LC source file records, or incorrectly modify LC source file records, will be rejected. Library Technical Services welcomes additions to LC records that include: source of review (510), intellectual level (521), notes of book awards (586) fields, and other value added information appropriate for schools.

- 1. Use RDA.
- 2. Filenames must follow the 1991 MICROLIF protocol.
- 3. All records must contain 001s, which represent unique keys. All 001s must be prefixed by a 3 -letter vendor code, which is not currently in use by LC. The only exception to this will be LC source records in which the vendor has duplicated 010 in 001.
- 4. All LC source records must contain the LC 010 field. For no other purpose should 010 be used. We will not accept records where the vendor enters their own control number in the 010. In the case of non-LC source records, either the 020 or 022 must be used when appropriate.
- 5. All records must contain fully coded 008 fields and 007s where applicable. 008s for non-LC records should contain "d" in the source field.
- 6. Files that contain CIP or partial records will NOT be accepted.
- 7. All records should contain a 520 field.
- 8. Call numbers must be Dewey, with segmentation marks, and include three letter cutters.

- 9. Subject headings must be Library of Congress Subject Headings (LCSH). Children's headings must be supplied, but not as a substitute for LCSH Adult headings. In the absence of an Adult LCSH in a record that has been modified from an LC record, vendors must apply their cataloging tools to provide one. Works of Fiction should also provide a 655 field with the headings taken from either genre headings from LCSH or Guidelines on Subject Access to Individual Works of Fictions, Drama, Etc, (GSAFD) which would lead to a second indicator 7 and having a value of gsafd put in |2.
- 10. Any field defined as National Level mandatory by LC should be included in the record if appropriate.
- 11. Add MARC 526 tag, with subfields,a)Reading Counts or Accelerated Reader,b)Interest Level,c)Reading Level,d)Point Value, z)Quiz #. If a book has quizzes in both AR and RC, then two 526 fields will be required (one for each). All books assigned a Lexile rating should have the rating included in 521 subfields a and b. 521 a (Lexile Number) b (Lexile)
- 12. Graphic Novels: Graphic novels should be cataloged a fiction, easy fiction, biography and non-fiction just as all other books (not as non-fiction 741.5). A fiction graphic novel would thus be F + first 3 letters of the authors name, an individual biography would be B + Surname of Biographee, and Non-Fiction would be Dewey Number (not 741.5) + First 3 letters of authors name or if no author first 3 letters of the title. Example: a graphic novel of Bobby Kalman's The Arctic Land would be 998 Kal

The following table indicates the required minimum tags for MARC records and the corresponding minimum subfields for vendor provided records to our district.

Leader	Subfield			
001				
005				
008	(subfields for each format should be applied correctly)			
010 (if applicable)	а			
020	а			
082	a, b,			
100 (if applicable)	a, other subfields as applicable			
240 (if applicable)	a, b, c			
245	a, b, c			
246 (if applicable)	а			
250	а			
264	a, b, c			
300	a, b, c			
490 (if applicable)	a, v			
505 (if applicable)	а			
520	Α			
521 (if applicable)	a, b			
526 (if applicable)	a, b, c, d, z			
600	a, other subfields as applicable			
650	a, other subfields as applicable			
651 (if applicable)	a, other subfields as applicable			
655 (if applicable)	a, other subfields as applicable			
700 (if applicable)	a, other subfields as applicable			
710 (if applicable)	a, other subfields as applicable			
740 (if applicable)	a, other subfields as applicable			
949	as per our instructions			
For Books: All of the a	bove, plus			
521	a, b			
For All Nonprint: Everything under For All Records, plus:				
007	correct subfields per format			
024	a, d (if applicable)			
245	h [medium]			
Additional tags for specific Media types: For Video & Sound				
(media designation taken from 245 subfield h):				
521	8 (if applicable)			

538	а			
For Video & Sound				
(media designation tak	en from 245 subfield h):			
028	a, b			
508	а			
511 (if applicable)	а			
For cases where Accompanying Material is present, including but not				
limited to Kits (media designation taken from 245 subfield h):				
006				

- 13. MARC records local holdings field specifications for all schools except Tampa-Hillsborough County Public Library Partnership Schools (Egypt Lake Elementary, Muller Elementary and Sulphur Springs Elementary).
  - a. Local holdings should be entered into the 949 field using the following subfields:

subfield a	Call Number and Cutter		
subfield v	ONLY REFERENCE & VIDEO Volume Number (Lower case v.) See Description Below		
subfield i	Barcode Number (Do not print check digit in MARC Record)		
subfield m	LIBRARY (School Library Code – MUST BE IN CAPS)		
subfield t	Item Type (See list below)		
subfield x	Genre Code (Limited to Genre-fied collections MUST BE IN CAPS)		
Examples of a	properly formatted 949 field for Symphony		
\$aF Smi\$i20218762121\$mALAFIA\$tF\$xHUM			
\$aR 031 Wor\$	\$aR 031 Wor\$vv.23\$i20218765498\$mALAFIA\$tREFERENCE		

b. 949 subfield descriptions

Subfield a: Dewey Call Number and Cutter Number

Description	Call Number and Cutter
Biography (Individual)	B + Surname of Biographee
Easy Fiction	E + first 3 letters of author's last name or title
Fiction & Story	F + first 3 letters of author's last name or title
Collection	
Non-Fiction	Dewey Number cut at first prime + first 3 letters of author's last name or title
Professional	PROF + Dewey Number + First 3 letters of author's last name or title
Reference	R + Dewey Number + First 3 letters of author's last name or title
Video	Video + Dewey Number + First 3 letters of author's last name or title
Sound	Sound + Dewey Number + First 3 letters of author's last name or title
Kit	Kit + Dewey Number + First 3 letters of author's last name or title

Subfield v: **REFERENCE & VIDEO ONLY** Volume Number – (Enter a lower case v, followed by a period, followed by a space and then the volume number) **SUBFIELD V SHOULD NOT BE USED FOR B, E, F, NF, P SOUND, KIT** 

Example v. 2 or v. A or v. III

Subfield i: Barcode Number (Do not print check digit in MARC record)

Subfield m: LIBRARY - (Enter the school library code - Must be in caps.) (See School Library List.)

#### Subfield t: Item Type

Descriptions	Enter Item Type	Use for the following
Biography (Individual)	В	Prints & Non-print individual biographies
Easy Fiction	E	Print & Non-print picture/easy fiction books
Fiction & Story Collection	F	Print & Non-print fiction & story collection
Non-Fiction	NF	Print & Non-print non-fiction
Professional	PROF	Print & Non-print professional
Reference	REFERENCE	Print & Non-print reference
Video	VIDEO	(DVD, VHS, Blue Ray)
Sound	SOUND	(CD & Playaways)
Kit	KIT	(More than 3 types of interactive media)

Subfield x: Item Category 1 – For Genre-fied Schools Only (See School Library List.)

#### **PROCESSING SPECIFICATIONS**

- 1. Schools will purchase shelf ready books and audiovisual materials.
- Processing includes MARC records and barcodes & spine labels, as shown in Example #1 barcode label front cover left center and Example #2 spine label (1 inch from bottom) (For genre-fied schools only, place genre picture label below the spine label).
- 3. Barcode Specifications and Information
  - a. Interleaved 2 of 5 with check digit. (12th digit is a check digit).
  - b. 12<sup>th</sup> digit is a check digit that should not display on the screen.
  - c. 12<sup>th</sup> digit <u>should not</u> be printed on the barcode (EXAMPLE 20126000007)
  - d. 12<sup>TH</sup> digit should not be printed in the MARC record. (Example 20126000007).
  - e. Barcodes should display the following information: school name (30 digits maximum), book title, barcode number, and call number. (See attached School Library List)
  - f. Sample Barcode

Bottom: Eye Readable Barcode

- 4. Vendors should send unattached spine labels and barcode labels <u>ONLY</u> if they do not provide shelf ready processing.
- 5. Schools will purchase Title page stamps/labels and eye-readable barcode on an individual basis.
  - a. Eye readable barcode should be placed on the top right front flyleaf of book.
  - b. Title should be stamped or a title label placed on center bottom of title page not covering information.
- 6. Theft Detection systems (such as 3M Tattle Tape, CheckPoint, etc.) should not be used.
- 7. Cover barcode and spine labels with plastic label protectors except on books with dust jackets.
  - a. Mylar covers can be placed over dust jackets so no label protectors are needed.
- 8. Schools will purchase Mylar covers on an individual basis. Mylar covers will be placed on books with dust jackets.
- 9. In books purchased for Middle and High Schools, Reading Counts labels, including the Lexile points and reading level, should be placed on the front flyleaf under the eye readable barcode.
- 10. In books purchased for Elementary schools, Accelerated Reader and Reading Counts labels should be placed on the back of the book in the upper right corner by the spine.
