"Psychological Services"

Hillsborough County Public Schools

Pursuant to Title VI, Title IX, Section 504/Title II and other civil rights regulations, the School District of Hillsborough County (District) does not discriminate nor tolerate harassment on the basis of race, color, ethnicity, national origin, religion, gender, gender identity, sexual orientation, age, disability, marital status, genetic information or pregnancy in its educational programs, services or activities, or in its hiring or employment practices; and it will take immediate action to eliminate such harassment, prevent its recurrence, and address its effects. The District also provides equal access to its facilities to the Boy Scouts and other patriotic youth groups, as required by the Boy Scouts of America Equal Access Act.

@HillsboroughSch

Come Home to Tampa Bay!

Welcome to Tampa Bay! Situated along Florida's Gulf Coast, this region boasts an enviable quality of life with year-round sunshine, proximity to world-class beaches, a unique cultural heritage, and a diverse business climate.

A thriving economy, three major sports teams, multiple fine arts venues, and no state income tax make the Tampa Bay area a wonderful place to call your home and raise a family.

Hillsborough County includes the cities of Tampa, Temple Terrace, and Plant City. The county has approximately 1072 square miles that encompass urban, suburban, and rural communities.

For both individuals and companies alike, Tampa offers accessibility, affordability, and opportunity.

Hillsborough County Public Schools (HCPS)

District Facts

- Seventh largest school district in the country with 240+ schools and over 220,000 students
- Culturally, linguistically, and socioeconomically diverse student population
- Largest employer in Tampa, with over 26,000 employees

What Services Are Provided by HCPS School Psychologists?

Working with Students, Their Families, and School Personnel to:

- Support students' social, emotional, and behavioral health.
- Consult with school-based teams to define academic and behavioral difficulties, develop interventions, and monitor student response to interventions.
- Promote and participate in school-wide programs that help maintain positive school climates conducive to learning.
- Conduct comprehensive psycho-educational evaluations.
- Provide individual and group counseling.
- Enhance understanding and acceptance of diverse cultures and backgrounds.
- Respond to crises by providing leadership, direct support, and coordination with needed community services.

Content adapted from the National Association of School Psychologists (2014).
