The unmet needs of neglected, delinquent, at-risk, and low performing students lead to an inability to assimilate socially, poor academic success, and high dropout rates.

**Goal(s)**
Facilitate “PROMISE” Prevention & Intervention (Programs offering Mentoring, Intervention Services, and Educational support), centered on students at-risk for delinquency and coming involved with the juvenile delinquency system.

**Objective(s)**
To provide “PROMISE” for at least 1,400 at-risk youth at a list of 18 locally operated and supported institutions by the end of project.

**Activities**
- Supplemental Academic Instruction - Core/Day
- Supplemental Academic/Vocational Instruction - Afterschool/Evening
- Transition Services DJJ Programs
- Targeted Assistance Programs Adult Ed Program
- Enrichment Program Delivery for At-Risk Students

**Output Measures**
- Number of at-risk youth served
- Percent of youth that transition to further schooling or employment
- Percent of youth that maintain or improve academic scores
- Percent of youth that earn HS credits
- Percent of youth who obtain industry certification
- Number of youth completing vendor program requirements

**Outcome Measures**

**Short term**
- Successful Transitions to Further Schooling/Employment
- Academic and Vocational Achievement
- Dropout Prevention and Intervention (Improvement of Off-Track Indicators - Attendance, Behavior, Course Performance)

**Long Term**
- Improved school performance and reduced dropout rates

**PROBLEM**
Current dropout rates and school performance

**SUBPROBLEM(S)**
The unmet needs of neglected, delinquent, at-risk, and low performing students lead to an inability to assimilate socially, poor academic success, and high dropout rates.
