 - Account ID: hillsborough
 - Username: StudentID#@hcps.net (Ex: 1234567@hcps.net)
 - Password: StudentID#@hcps.net (Ex: 1234567@hcps.net)

2

COMPLETING ACTIVITIES, SCORES, & STATS

- Click *Assignments* to view the activities assigned to you.
 - *New Assignments* are at the top and *Completed Assignments* are at the bottom.
 - Click *Start* to open and complete an activity.
 - At the end of an activity, click *Review* to review your answers.
 - You can redo activities to get a better score. Go for the Green! Try for 80% or better!

- Click *More* to see a summary of your activities and stats.
 - Click *Activities* to see your First, Last, and Best scores and your mastery level for each activity.
 - Mastered = 80 - 100%
 - Partially Mastered = 60 - 79%
 - Not Mastered = 0 - 59%
 - Click *Stats* to see your Rewards, Levels, and Achievements. The average score on your *Stats* page is the average of only your highest scores on each activity.

3

GAMIFICATION

- Earn credits to buy things in the Avatar Store.
 - Earn 10 credits for each correct answer in an activity.
- Earn experience points (XP) to level up and earn special rewards.
 - Earn 5 XP for each correct answer in an activity.
- Leaderboard points are the total of your best score from each activity.
 - Find these scores in the *Best Score* column of your *Activities* page in the *More* section.
 - Move up the leaderboard by redoing activities to get a better score.
