### Student Surveys

**Highlight: School Safety**

Students in grades 4-5 ranked near the 90th percentile nationwide in favorability regarding school safety, and our secondary students in grades 6-12 ranked near the national average.

**Area of Opportunity: Growth Mindset**

Students in grades 4-5 scored 44% in favorability on the growth mindset scale, and our secondary students in grades 6-12 scored 36% favorable.

**Grades 4-5**

**Sense of Belonging**  
72% of students responded favorably regarding the amount of support that adults at their school gave them.

**Grades 6-12**

**School Safety**  
70% of students responded favorably regarding the likelihood that they would NOT be bullied online.
