

## Giunta Middle School Cell Phone Policy

- Cell phones/electronics are not to be visible within the classroom at any time (out of sight out of mind).
- Students are not permitted to use cell phones or electronic devices unless directed by the teacher for academic purposes only.
- Students ARE allowed to use cell phones during passing and during lunch time in the cafeteria.

### Cell Phone Discipline Procedure (Resets daily):

**1<sup>st</sup> offense:** Warning: "Please put your phone or ear buds away."

**2<sup>nd</sup> offense:** Student gives cell phone/earbuds to teacher until end of class period.

**3<sup>rd</sup> offense:** If student refuses to give up cell phone, teacher will write the referral and contact parent. The consequence will be ISS or OSS (especially for repeat offenders).

*Giunta Middle School is not responsible for any cell phones lost or stolen. If a student or teacher sees someone take someone's electronic device and reports it, we will assist in this situation only. Students bring cell phones to school at their own risk. Giunta Middle School's primary focus will be teaching and learning.*
