### **IB German 5 Summer Assignment**

1. Read pages 1-42 of “Im Land der Schokolade und Bananen” by Karin Gündisch using the book lent to you, scans in your semester 2 IB German 4 Canvas course, or a copy you buy yourself.

Carefully complete grammar, vocabulary, and writing exercises with each of the short chapters in the Arbeitsbuch provided as you read. Backup copies of the Arbeitsbuch packet are also on Canvas for students who lost the printed ones given out.

Turn in your Arbeitsbuch on paper in class at the end of the week of classes next year. We will then be reading from page 42 together in class. Be prepared for a test on the grammar in your Arbeitsbuch and on the global issues and vocabulary in the book.

2. Complete verb conjugation exercises in a separate printed packet about types of verbs in the present tense. You will work through the packet, copy verb tables, and write your own original sentences for each of the types of verbs. Turn in on paper at the end of the last week of classes.

Back up copies of the verb packet are also available in their IB German 4 semester 2 Canvas course.
