Dear Parents,

We hope that everyone had a peaceful and enjoyable break and that you are settling back into a routine and the "normalcy" that comes along with having your children back in school! Our teachers and staff members are excited to get back to the business of teaching and learning, ensuring that your child receives the knowledge and skills necessary to reach their highest potential.

Our families play a key role in the educational success of our students. Thank you for encouraging your children and supporting our teachers. We are looking forward to an amazing 2023!

Preparing students for life,
Paulette English, Principal
Heather Moncrief, Assistant Principal
