SIX HOUSES-ONE SCHOOL

NEWS/CELEBRATIONS

This month, two houses stood out in a big way! The Blue House took the top spot with an impressive 19,443 points, securing a well-deserved victory. But that's not all! The Yellow House truly shined in the Most Improved category, boosting their points by a whopping 21% from the previous month!

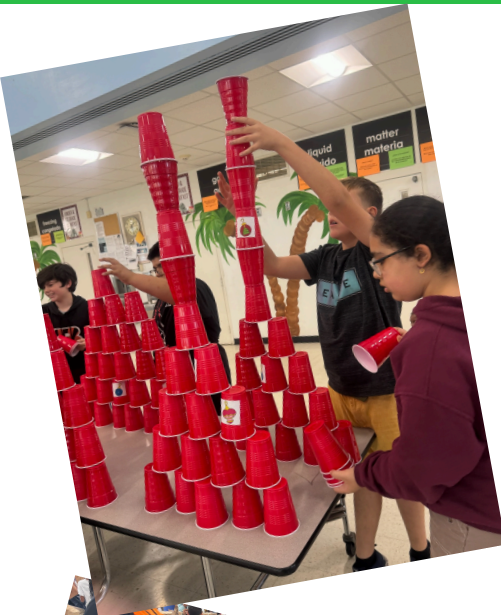

To celebrate these fantastic achievements, students came together for a lively Bingo and Snacks Party, followed by some hilarious Minute to Win It Games. What a fun and exciting way to honor everyone's hard work and team spirit! Keep it up, everyone—let's see who will shine next month!
