

# Riverhills Elementary Magnet IB World School Primary Years Programme Admission Policy

*Vision: "Empowering children to create a better future."*

Riverhills Elementary Magnet IB World School is a Hillsborough County Public School located at 405 S Riverhills Dr, Temple Terrace, FL. Riverhills Elementary offers the International Baccalaureate Primary Years Programme for students in grades K-5.

Riverhills is a Choice Magnet School in the Hillsborough County school district. Students are only accepted through the Magnet School application process. We participate in district level magnet events and market to a diverse pool of applicants. Each year we offer an Open House in the fall for prospective parents. This Open House is advertised on our school and district websites. We also offer school tours to prospective families by appointment.

To attend a Hillsborough County Public Schools (HCPS) magnet school you must apply.

The HCPS office of Student Planning and Placement utilizes a random race-neutral weighted lottery process to ensure equitable access.

There are multiple choice application windows for the 2024-2025 school year with the first opening on November 1, 2023 at 5:00pm and closing on December 15, 2023 at 11:59pm. Parents with children who are currently registered in a Hillsborough County Public School need their child's student number, last 4 digits of their social security number and birth date to apply. For students who are brand new to HCPS, parents first apply for Choice ID and PIN number then, apply for a magnet school. Families will be notified of the lottery results at the end of January 2024. Parents that are HCPS district employees may apply through EdConnect. The Office of Student Planning and Placement is in place to help: (813)-272-4672.

Please call Riverhills with any questions at (813) 987-6911, 7:30 a.m. – 4:00 p.m. weekdays.
