

Weekly Update 4/1/24

Hawk Families:

During the 4th quarter there are many assessments that take place. The window for us to give these different assessments is small. We will send out reminders via text so that you know when your child is being tested. We will also send out the entire testing calendar so that you can review any scheduled doctor's appointments. In some cases, like AP or AICE exams the date and time is set nationally and there is NO MAKEUP. Teachers already have these dates and times if you want to message them on Canvas.

We are behind on some recognitions so let me get right into them!

Congratulations to Armwood Theatre students who scored Superiors and Excellents at the Florida State Thespian Festival at the Convention Center in Downtown Tampa for 4 days over Spring Break!

Yanneli Herrera received a Superior rating for her Solo Musical performance.

Donna Godfrey received an Excellent rating for her Monologue performance.

Madison Rugg and Donna Godfrey received an Excellent rating for their Duet Acting performance.

We have 6 students showing their art work in Hillsborough County's High School CSAI Fine Arts Competiton. I've listed their names below and labeled that attached artwork accordingly (see attachment for pictures of the art work).

Gabby Gibson

Taylor Stalcup

Adnres Hernandez

Ihala Garcia-Quintana

Yesenia Dorantes-Garcia

Keisi Mieles Vera

They will be displayed in Gallery 3 at HCC (Dale Mabry campus) from April 1-25. The reception is April 4th, so we will know there if any of our students placed or got honorable mention.

JROTC had their field event last Thursday and then ran through a mock JPA Inspection which involved guests from other schools to evaluate their service learning, uniforms, presentation, and public speaking.

Our athletes also continue to grind. At the Hernando County Meet, Girls track took home 1st place and our boys took 2nd.

Flag football continues to dominate over Bloomingdale and Plant with 2 big wins this past week.

Softball had back-to-back wins over Brandon High and Freedom High last week!!!!

Baseball beat Wharton 5-4 and then had a big win over Freedom.

Girls tennis was finally home last week against Hillsborough and then Newsome and are improving weekly. Boys tennis is also gaining traction.

This upcoming Tuesday, our juniors are participating in an Amazing Race to review for the US history End of Course exam. Our 9th and 10th graders are taking the state writing assessment. Last week when our Juniors were taking the school day SAT, our math and English teachers had a round robin review for our 9th and 10th graders. Our teachers work hard to create these games and incentives for our students to be successful. I can't thank them enough!
