

Weekly Update 4/8/24

Hawk Families:

Juniors and Seniors missing a reading or math benchmark will take the CLT test this Thursday. Please be at school on time! There is **NO MAKEUP** for this test.

Students in a Career and Tech course are also preparing for an Industry Certification if they have not passed it already. Please know this is another way that a student is prepared for life after graduation. Acceleration (by the state of Florida) means that a student has passed an AP course, a dual enrollment course, or an industry certification test. This industry certification helps students earn more money in the workforce because they are already certified. Students who have passed a test this semester will enjoy a BBQ at the end of the month!

Our FFA students are still competing, and we have some celebrations to share! Andi Ferland won Junior Reserve Grand Champion Alpine at GIG

Then at Citrus County:

1st place AOB (all other breeds) sheep in class 1

2nd place AOB sheep in class 1

1st place White Face Sheep

William Redner won 3rd place in Senior Showmanship!

Deca will be taking several students to California to compete at the International Level in 2 weeks! Our spring sports are entering the playoffs. Flag football starts this week (they are the 2nd seed) Please come out and support them!

Conference Night is Thursday 4/18 from 4:15-6:30. Please stay involved via Canvas. Attendance is impacting student performance. Attendance and being on time to school and class are life skills. We truly need you to help us reinforce these life skills.

Weekly Schedule

Monday 4/8- Early Release; Tennis vs. Plant City (girls away/boys home) Boys track meet; Girls flag district playoff vs. Wharton

Tuesday 4/9-Baseball and Softball at Hillsborough; Girls flag TBD

Wednesday 4/10-Western Conference Track Meet

Thursday 4/11-CLT test for juniors/seniors missing a benchmark; Girls flag TBD

Friday 4/12-

Saturday 4/13-ACT test at Armwood; Culinary Banquet; Military Ball

Our district is looking to hire several support positions (custodial, Student Nutrition, bus drivers, paraprofessionals). Please contact us at Armwood, and we can help with the application process. For those interested in driving a bus, the district will provide the training to earn the CDL license. Reach out to Mrs. Langston for details!!!!
