Weekly Update 5/6/24

Hawk Families:

I missed a few celebrations last week. The boys track team won the Emanuel Griffen Relays and Zhane Evans won female thrower and Girard Pringle won male sprinter. We sent 16 students to California because they qualified for the International DECA competition. We had a duo make it to the top 20 out of 200 teams internationally and that was Sharon Fagbodun and Alan Martin. We also just had an Academy of Finance breakfast with our students who have completed the program and we had 2 scholarship winners: Savannah Young ($5000 and can reapply every year for additional $5) and then Joshua Choy won a $20,000 scholarship.

This week is also Teacher Appreciation Week! Please show your support to our amazing team of teachers by sending an email or a card sharing how they have contributed to your child's success.

We are in another heavy week of testing. Please utilize the calendar as some of these assessments do NOT have make ups.

Several athletic teams are holding informational meetings. There are flyers around the school, and I've included them in the weekly schedule.

 Also attached is the Class of 25 senior portrait information.

 Weekly Schedule

Monday 5/6-AP Gov't; AP Art; AP Chem.; Cheer meeting

Tuesday 5/7-Alg EOC; AICE Media and AP Human; track regionals; wrestling interest meeting
