

Weekly Update 11/11/24

Hawk Nation:

We had a difficult week with a student bringing a weapon on this campus. I have spoken with several families and there have been some amazing suggestions like clear backpacks, more cameras, and metal detectors. Cameras and metal detectors are topics we continue to discuss with the district, and I will brief you as I receive more information. The clear backpacks suggestion is one we can work through on our site. We will work with our PTSA on this. Our next safety topic continues to be the drop-off and especially the pickup of our students off campus. Please help us keep our students safe and pick them up in our on-campus areas. The Dollar General calls us daily as it is disrupting their business.

Quarter 1 report cards will be available on November 13th.

Quarter 2 Conference Night is this Wednesday, November 6th from 4:15-6:30. We know it is early, but we wanted to make sure we have an opportunity to help our students get on the right track or assist as needed since there have been several disruptions to the school year.
