

## Weekly Update 2/24/25

### **Hawk Nation:**

Our FFA Students took some animals to McDonald Elementary and spent time with the kindergartners. Latinos in Action have been working on beautifying our courtyard by the guidance area. We recognized our Key Club last week and our students are actively preparing for the state DECA competition. There are so many amazing things that our students do each and every week and it is unfortunate that a few students taint that image because of poor behavior choices. We will continue to support all our students as our expectations for learning and every student achieving a high school diploma is our ultimate goal.

As a parent, please check Canvas weekly as this is a simple way for you to stay in touch with your child's academic success and reach out to their teacher all with a click of a button.
