Where Learning Is Our Super Power

A Note From The Clinic...Keeping Yourself and Others Healthy

One of the most important measure for preventing the spread of illness is good hand washing. Everyone should wash hands with soap and water for at least 20 seconds after bathroom visits and before handling food or eating. Additionally, when finished washing your hands, use a paper towel to shut off the water faucet and handle bathroom doorknobs

Social distancing means keeping a safe space between yourself and other people who are not from your household. To practice social or physical distancing, stay at least 6 feet (about 2 arms' length) from other people who are not from your household in both indoor and outdoor spaces.

If your child is not feeling well (such as fever, cough, sore throat, nausea, diarrhea) or has been exposed to COVID-19, have them remain home and notify the school administration.

HEARING Screening Gr. K & 1

Dates of screening: February 2, 2021

Hearing is a critical part of learning. All Kindergarten & First grade students will participate in hearing screenings conducted by district employees

Parent Notification:

This screening is mandatory by the State of Florida for all public school students. However, parents who do not want their child/children to participate can notify Mrs. Jones at Johnette.jones@sdhc.k12.fl.us to have their child exempted.

Non-Student Day February 12

In December 2020, the Florida State Fair Authority (FSFA) decided to postpone the 2021 Florida State Fair to later in the Spring. This decision was made given the current health and safety conditions in Hillsborough County and in collaboration with community leaders and Fair sponsors.

HCPS Student Academic Calendar for 2020-2021 will not change. Friday, February 12, 2021 will continue to be a non-student day

Student Holiday Monday, February 15th

Hillsborough County schools will be off on February 15 for President's Day

Personality Pictures

Strawbridge Studios will be here on Wednesday, February 17, to take “Personality Pictures”. Students will be able to “Dress Up” for these pictures. Every child will be photographed. A few weeks after the pictures are taken, the school will receive your child’s picture package and we will send it home. You can purchase the entire package at that time or create your own combination and return the non-purchased portraits to the school.

Pictures are a school fundraiser. This is a great opportunity to help the school

Report Cards Available On-line February 8!

What information do I need to access my student's report card?

Specific instructions on how to access your student's report card can be found at reportcards.sdhc.k12.fl.us.

How do I request a PIN?

The assigned PIN is the same one used to view the report card from quarter 1 and was sent home with students earlier this school year. If you need to request the PIN again, the following two options are available:

1. *Electronic PIN Request*

A student's PIN can be sent to either the email address or mobile phone number of a parent/guardian as provided on the Student Emergency Information Card. Please click on this link above to [Request a PIN](#) electronically. If you have more than one middle or high school student, you only need to make one request. You will receive all PINs associated with that contact information. Note that a separate email or text will be sent for each student.

The electronic PIN request will not work if the email address or mobile phone number entered does not match the information on record. Please report any changes to your phone number and/or email address to your student's school.

2. Contact the Report Card Support Line

If you are unable able to get the PIN electronically, please contact (813) 840-7388

Mental Health Corner:

Did you know?

Surrounding yourself with good people is one of the best ways to promote positive mental health. Be a positive influence by smiling and taking a moment to appreciate the small things in life. If you are in need of assistance or support please feel free to reach out to Ms. Johnson, School Social Worker.

February Character Trait: Kindness

Kindness is showing others they are valuable by how you treat them.
