Maniscalco K-8

Mustang Families,

Our Maniscalco staff is excited to welcome back our Mustang students for the 2024-2025 school year! We hope this letter finds your family safe and healthy. We also hope all our families have had a restful and relaxing summer break! Our 2024-2025 school theme is STARS (Success Teamwork Achievement Resilience Service)! It will be amazing to see all returning students and those new to the Maniscalco K-8 family. Our community of learning as always will remain strong with a dedication to collaboration, differentiation, and academic success. We also look forward to welcoming our new Pre-K and Kindergarten students to our Maniscalco K-8 Mustang family.

Our faculty and staff are ready to welcome our Mustangs back and begin the school year focused on the success and growth of every student at Maniscalco K-8. We want to thank our students, families, staff, and community for their dedication and grit towards success throughout the 2023-2024 school year that supported our student's academic growth which attributed to Maniscalco K-8 being named a School of Excellence. School grades were released and Maniscalco K-8 has earned an "A" and is highest "A" among HCPS K-8 schools! This is exciting news for our school community, and we look forward to continuing to provide the best educational opportunities to students. With this great news we will ensure we continue to focus on rigorous academic instruction to support the whole child in our classrooms.
