

Summerfield Elementary
2022-2023 PTA Sponsorship Opportunities

Summerfield Elementary PTA would like to focus fundraising efforts for 2022-2023 on purchasing shades for our playgrounds, sponsoring class events and field trips (if allowed), purchasing materials for our teachers to support their classrooms, help sponsor school family events such as movie nights, holiday celebration, spring dance and more. The PTA needs to raise a substantial amount of money to cover each of the phases below, so that's where you can help!

Funds raised by PTA touch every child – when YOU get involved, we all benefit!
