A Few Words from our Leaders

Carmelita Hui, PTA President

Thank you for your support of Summerfield Crossings Elementary PTA! The PTA has been very busy this year. We have had several events in the last few months including spirit nights at many local businesses, First Fridays, and a catalog fundraiser. In addition to these fundraisers, we have been supporting many programs at the school including Conference Night, Veterans Day Coffee, and the Great American Teach-In. Through our fundraising efforts, we were able to fulfill 28 mini-grants to our teachers and staff which are being used to enhance the students' learning experience (see list of grant winners below).

Again thank you for your support this year. Please encourage other parents, family members and friends to support our PTA by joining for only \$6, attending a Spirit Night, shopping during one of our fundraisers, and/or volunteering their time.

If you have questions, please don't hesitate to reach out to us at scesptaboard@gmail.com.

Brian Harvey, Principal

I want to take a moment to express my heartfelt appreciation for your ongoing support and partnership with Summerfield Crossings Elementary. Your commitment to your child's education and our school community is truly invaluable. I also want to acknowledge the resilience and determination shown by our students this school year. They continue to adapt and excel, and we couldn't be prouder of their efforts.

As we navigate this academic year, let's continue to work together, communicate openly, and foster a positive and nurturing environment for our students. Your involvement, whether through volunteering, attending meetings, or simply being engaged in your child's education, is essential to our shared success. Thank you for everything you do!
