The Florida Standards Alternate Assessment (FSAA) testing will begin March 1st for grades 3 - 8 and end on April 16th. High school student testing will start the week of March 22nd and run through April 30th. All students, grades 3 - 12, who are e-Learning must come to Caminiti to take the FSAA. There will be designed classrooms which will be cleaned between students. Your child’s teacher will contact you about their testing schedule. Please remember that the students require multiple sessions to complete the FSAA. The teachers will do their best to complete as much of the assessment as possible when the students are on campus but you will need to bring them multiple times. Please contact Barb Gwinn, ESE Specialist, if you have any questions. Thank you in advance for your cooperation and understanding.
The PTA will be collecting and recycling used vases and plant pots for our May plant sale. We will also be taking orders for Carnations for Valentine's Day. We appreciate your support.

Dear Parent/Guardian:

All educators in Florida are monitored to ensure they meet certification and training requirements as mandated by law. Per Florida Statute 1012.42, when a teacher is assigned teaching duties out of the field in which the teacher is certified, the parents of all students in the class shall be notified in writing.

Hillsborough County Public Schools is committed to providing quality instruction for all students and does so by employing the most qualified individuals to teach and support each student in the classroom. The district is assisting our teachers by developing an Individual Professional Development Plan to complete the requirements needed to become in-field.

All of our teachers are certified to teach, although some of them are currently out-of-field and are working on additional areas of certification. You have the right to know the professional qualifications of the teachers or paraprofessionals who instruct your child. Federal law allows you to ask for certain information about your child’s teachers and requires us to give you this information in a timely manner if you ask for it. If you would like more information, please contact the school at 813 975-7611.

The table below lists teachers who are currently out-of-field.

Sincerely,

Roberta Jakubowski
Principal
