Dear Parents and Friends:

Welcome to Grady Elementary School, an “A” school, that is “Good to Great to Grady”. The success Grady continues to have is truly impressive, a real tribute to our teachers and students. I could not be more proud of our team as we work to prepare our students for life. However, we cannot do this important work without the support of our parents, PTA, and community partners.

In being “Good to Great to Grady” the hard working PTA has done it again! Grady’s PTA has purchased our new track for Grady! Grady’s PTA also generously supported the Extended Learning Program (tutoring) by providing extra funds to hire more teachers therefore, allowing us to keep the groups small. Along with supporting our Extended Learning Program our awesome PTA was instrumental in bringing multiple Discovery Clubs back to Grady. A huge thank you to this team of parents willing to do whatever it takes to support and help our student’s school experience! Please remind your family to join Grady PTA!

Please read and be prepared to follow the safety procedures below in the unlikely event of an emergency. I look forward to seeing each and every one of you as we face this new school year with extraordinary passion and no fear! Our faculty and staff are here to empower your child with the love of learning and supports needed to prepare them for life!

Sincerely,

Mike Campbell
Principal

PREPAREDNESS IS THE KEY

Our Crisis Intervention Plan covers areas from fire drills, inclement weather, and situations which may require evacuation. Hillsborough County employees are trained to handle crisis type events and have specific duties to ensure the safety of our students. Our school district has a strong working relationship with Bay News 9 and WFLA 970 AM. If any incident happens that involves the safety of your child while they are in school, please tune in to either of these News programs for directions and information. Other stations may carry information as well. You may have heard about “Shelter in Place” events that could cause us to take “Shelter in Place” action. These events are typically vehicle, railroad, tank truck accidents, or an environmental accident. If you hear of such an accident, please tune in to Bay News 9 or WFLA 970 AM. Some things that you can do to help in the event of an emergency during school hours: Remain calm and be patient, follow the advice of local emergency officials, listen to your radio or TV for news and instructions, and do not place yourself or others in danger by coming to school if our school area is involved in a “Shelter in Place” plan. If there were ever a need to evacuate our school, students will be transported by school bus to Christ the King School. If Christ the King and Grady had to be evacuated, we would move to Mabry Elementary School at the corner of Lois Avenue and Estrella Street. You would need to go to the main office of either locations for directions from Grady office staff. YOU MUST HAVE A PHOTO ID. Planning for an emergency is never an easy topic, however, in doing so Grady will be prepared to keep your child as safe as we possibly can. Thank you for your effort in keeping our children safe.

Dear Parents:

We look forward to a year filled with challenges and opportunities. In an effort to maximize the learning environment at Grady Elementary School, our mandatory uniform policy established by our School Advisory committee will continue to be implemented.

Adhering to the uniform policy is strongly encouraged as uniforms with and without logos have become readily available.

On Monday through Thursday, uniforms are to be collared (polo-style or traditional button down) and should be navy blue or white. Uniform shirts without logos are acceptable and available at local stores. Students must wear khaki or navy pants or shorts, khaki or navy skirts, skorts, jumpers or capris are also permitted.

On Friday, students may wear uniforms or the designated Spirit Shirt. Blue jean pants, skorts, shorts, capris, or jumpers may be worn on Friday.

Thank you for supporting our mandatory uniform policy during this school year. If you have any questions, please call us at 872-5325.

Sincerely,

Mike Campbell
