Q. Will the school be provided enough cleaning supplies, or should I send my student with the necessary supplies?

A. Yes, the District will provide enough cleaning supplies for each classroom. However, if you feel comfortable supplying your child with “extra” supplies, it is welcomed.

Q. Will my child need to wear a mask at all times while on campus?

A. Everyone on the campus is always required to wear a mask while on campus. The only exception is during lunch when students are eating.

Q. What if my child loses his/her mask during the day?

A. The office and each teacher have both reusable masks and disposable masks to give to students.

Q. Will student’s desk be cleaned each class period?

A. Each teacher has created a plan for their classroom. As students enter the class, they will pick up a cleaning wipe and wipe down their own desk prior to the start of class.

Q. How often will student restrooms be cleaned and stocked?

A. There is one custodian to check on EVERY restroom in the school, every 2 hours to ensure they are stocked and supplied properly.

Q. Will students be able to “social distance” in their classrooms?

A. Yes, teachers will space students out in the classroom making sure there is 6 feet between each student. All students and teachers will keep masks on during class.

Q. Will students “share” materials during class?

A. Teachers will do their best to make sure materials are not being shared by multiple students. In the cases where materials are shared, teachers will clean shared materials between classes.
Q. How will students change classes?

A. Between classes, students will have 4 minutes to change classes. Students will be instructed to move only on the right side of hallways and courtyards. Students will be instructed and encouraged to keep moving and not gather in groups during change of classes.

Q. Will students be permitted to rent a locker?

A. In order to prevent students from gathering and for students to continually move during change of classes, we are NOT going to rent lockers for the first semester of school. We will re-visit this process before the start of the second semester.

Q. Will students be able to “social distance” during lunch?

A. Our cafeteria holds over 600 students. We will be offering 4 lunch periods for our students in order to keep the number of students per lunch low. Students will be encouraged to not gather during lunches and to social distance.

Q. What if a student refuses to wear their mask?

A. If a student refused to wear his/her mask, they will be taken to the office and explained the importance of this safety issue. The student’s parents will also be notified. If student still will not wear a mask, the student will be sent home.

Q. What if my child feels sick during the school day?

A. Students who are become ill during the school day will be sent to the clinic. There will always be a nurse on campus while there are students on campus. The clinic will have an isolation room to keep possible Covid-19 cases from spreading. The nurse will exam and determine the next steps to take for student who is ill.

Q. What if someone in my household tests positive for Covid-19, should I send my child to school?

A. No. If there is a confirmed positive Covid-19 case in a student’s household, the parent should contact the school immediately. The school will then implement the District’s Covid-19 procedures.

Q. Will I be notified if a student or employee at the school tests positive for Covid-19?

A. Yes. As soon as a positive Covid-19 case is confirmed, a letter will be sent to all parents notifying them of the incident.
Q. If there is a confirmed positive Covid-19 case at the school, will my child need to self-quarantine and stay home?

A. It depends. Once a positive case of Covid-19 is confirmed at the school, the District will be notified. The Covid-Commander for the District will work with the Health Department to conduct contact tracing. Each case will be reviewed, and decisions will be based on guidelines from the CDC.

Q. If there is a positive Covid-19 confirmed at the school, will the school be shut down for cleaning?

A. It depends. Each positive Covid-19 case will be reviewed by the Covid-Commander at the District and with the Health Department. Decisions will be made based on interviews with the person who tested positive. In some cases, the whole school may need to be closed for a day or two. In other cases, only parts of the school will need to be shut down.

Q. If the school must be shut down, how will my student continue his/her education?

A. In the case of a school having to shut down, students will be able to continue their education with their teachers through CANVAS.

Q. How can I help keep the school safe from Covid-19?

A. Keep a close eye on your child’s health. Take your child’s temperature each morning and if it is 99.5 or higher, please keep your child home. Also, please talk with your child about the seriousness and importance of following all Covid-19 preventive policies and procedures.

Q. Where can I go if I have questions or need additional information?

A. The first place to go is the school. Either call or email us with questions and/or concerns so they can be addressed immediately. (813) 378-8626 / David.brown@sdhc.k12.fl.us
