Every Title I school, in collaboration with parents, must develop a school parent involvement plan.

- The plan describes how the school will engage the families in an organized, ongoing, and timely way in the planning, review and improvement of the Title I program at the school.

- A copy of the plan is in the Parent Information Notebook in the front office and available for you to review.
Compact

A written agreement that outlines how the parents, the entire staff and the students will share the responsibility for improved student academic achievement, as well as describes how the school and parents will build and develop a partnership that will help children achieve the state’s high standards.
